[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The SIERRATAC Sling, by Spiritus Systems. Customers have been asking Spiritus Systems for a sling for a long time, and they are pleased to have teamed up with SIERRATAC to provide you with one of the best slings on the market. The Sling was developed, and field tested by professional end users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Notable Features SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Premium foam padding for added comfort during extended operations or training events. The padding encasement is constructed out of 500d Cordura and has a minimal seam that ensures that there are no rough edges that will rub the users neck raw. We do not use biding to close the encasement which can rub your neck raw after prolonged usage. Open looped ends allow the user to add whatever mounting hardware is needed to fit their needs.

## Attributes

# SIERRATAC Padded Sling Safety Instructions

## Introduction

Thank you for choosing the SIERRATAC Padded Sling by Spiritus Systems. This guide provides essential safety instructions to ensure the safe and effective use of your sling. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Always inspect the sling for any damage or wear before each use.
- Do not exceed the weight limit specified by the manufacturer.
- Ensure the sling is securely attached to your weapon before use.
- Keep the sling away from sharp objects and extreme heat to prevent damage.
- Avoid using the sling in conditions that may impair your ability to control your weapon.
- Store the sling in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- The SIERRATAC Padded Sling is designed for adult users. Ensure that children do not use the sling without adult supervision.
- Be cautious of the sling's adjustable components during use to avoid pinching or snagging.
- When adjusting the tension, do so slowly to prevent sudden movements that could lead to accidents.
- If you notice any signs of wear or malfunction, discontinue use immediately and contact the manufacturer for assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the mounting points on your weapon where the sling will be attached.
- Use the open looped ends of the sling to connect to the mounting hardware. Ensure the connection is secure.
- Adjust the length of the sling to fit your body comfortably. The SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustments.
- Test the sling's adjustment by pulling gently to ensure it holds the desired position.

### 2. Usage:

- When using the sling, ensure it is properly adjusted to allow for quick and easy access to your weapon.
- The sling should be worn over the shoulder, allowing for a secure hold while keeping your hands free.
- During training or operational use, remain aware of your surroundings to prevent entanglement with the sling.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations for textile products.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact details found on the packaging or their official website.

By following these safety instructions, you can ensure a safe and effective experience with your SIERRATAC Padded Sling. Thank you for your attention to safety, and enjoy your product!
