

SIERRATAC PADDED SLING - SPIRITUS SYSTEMS SIERRATAC PADDED SLING WOODLAND

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The SIERRATAC Sling, by Spiritus Systems. Customers have been asking Spiritus Systems for a sling for a long time, and they are pleased to have teamed up with SIERRATAC to provide you with one of the best slings on the market. The Sling was developed, and field tested by professional end users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Notable Features SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Premium foam padding for added comfort during extended operations or training events. The padding encasement is constructed out of 500d Cordura and has a minimal seam that ensures that there are no rough edges that will rub the users neck raw. We do not use biding to close the encasement which can rub your neck raw after prolonged usage. Open looped ends allow the user to add whatever mounting hardware is needed to fit their needs.

Attributes

- Name: [SPIRITUS SYSTEMS SIERRATAC PADDED SLING WOODLAND](#)

SIERRATAC Padded Sling Safety Instructions

Introduction

Thank you for choosing the SIERRATAC Padded Sling by Spiritus Systems. This guide provides essential safety instructions to ensure the safe use of your sling. Please read this manual carefully before using the product.

General Safety Guidelines

- Always inspect the sling for any signs of wear or damage before each use. Do not use if any issues are found.
- Ensure that the sling is properly adjusted to fit your body and equipment before use.
- Use the sling only for its intended purpose, which is to secure a weapon during transport or operation.
- Keep the sling away from children and vulnerable individuals when not in use.
- If you experience any discomfort or irritation while using the sling, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that the sling is securely attached to your weapon before use.
- Avoid using the sling in environments where it could become snagged on obstacles or other equipment.
- Be cautious when adjusting the tension of the sling. Ensure that your hands are clear of the mechanism during adjustment to prevent injury.
- The padded section of the sling should be positioned to avoid contact with sharp edges or hot surfaces.
- Always be aware of your surroundings when using the sling to prevent accidents or injuries.

Instructions for Installation and Usage

1. Installation:

- Determine the appropriate mounting hardware needed for your weapon.
- Attach the sling to the weapon using the open looped ends, ensuring a secure fit.
- Adjust the length of the sling to your preference using the SIERRATAC Proprietary Billet Aluminum Slider. Ensure the slider is functioning correctly and securely in place.

2. Usage:

- When wearing the sling, ensure that it is positioned comfortably across your body.
- Adjust the tension as needed for optimal support and comfort.
- Always maintain control of your weapon when using the sling to prevent accidental discharge.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it contains materials that can be harmful to the environment.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SIERRATAC Padded Sling, please contact the manufacturer directly through the provided channels on their official website.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy the

benefits of your SIERRATAC Padded Sling.
