Safety Instruction Guide for 260 Remington Brass

Introduction

Thank you for choosing the 260 Remington Brass from Sig Sauer. This product is designed for use in rifle applications and is made from highquality American brass. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect ammunition before use to ensure it is not damaged or defective.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 260 Remington cartridges before use.
- Always wear appropriate eye and ear protection when shooting.
- Never point a firearm at anything you do not intend to shoot.
- Do not use damaged or deformed cartridges, as this may lead to misfires or other hazardous situations.
- Avoid using ammunition that has been exposed to excessive heat or moisture.
- Follow the manufacturer's recommendations for loading and firing your ammunition.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Check that your firearm is unloaded before loading ammunition.
- Open the action of your firearm and insert the 260 Remington cartridge into the chamber or magazine as per the manufacturer's guidelines.
- Ensure that the cartridge is seated properly.

2. Firing the Ammunition:

- Ensure you are in a safe and designated shooting area.
- Aim your firearm at the target and ensure no one is in the line of fire.
- Follow the specific firing instructions for your firearm model.
- After firing, wait a few moments before checking the firearm for any potential issues.

3. PostUse:

- Always unload your firearm after use and store it safely.
- Clean your firearm according to the manufacturer's instructions to maintain its performance and safety.

Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Instead, contact local authorities for proper disposal methods.
- Ensure that all spent casings are collected and disposed of safely to avoid environmental hazards.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the 260 Remington Brass, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 260 Remington Brass. Always prioritize safety and stay informed about best practices in ammunition handling and usage.
