FOXTROT365 Tactical White Light Safety Instruction Guide

Introduction

Thank you for choosing the FOXTROT365 Tactical White Light designed specifically for the SIG SAUER® P365 Nitron MicroCompact Pistol. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of your weapon light. Please read this document thoroughly before using the product.

General Safety Guidelines

- Always handle the FOXTROT365 weapon light with care.
- Ensure the product is used only as intended, in accordance with the manufacturer's instructions.
- Keep the weapon light out of reach of children and unauthorized users.
- Regularly inspect the weapon light for any signs of damage or malfunction before use.
- Do not expose the weapon light to extreme temperatures, moisture, or corrosive environments.
- If the product shows signs of wear or damage, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure the weapon light is securely mounted on the firearm before use.
- Avoid shining the light directly into anyone's eyes, as it may cause temporary blindness or discomfort.
- Be aware of your surroundings when using the weapon light to avoid accidental injury or damage.
- Do not use the weapon light as a substitute for proper firearm safety practices.
- Ensure the weapon light is turned off when not in use to conserve battery life and prevent accidental activation.

Instructions for Installation and Usage

Installation

1. **Remove the Battery:** Before installation, ensure the weapon light is powered off and remove the battery.
2. **Mounting the Light:**
 - Align the FOXTROT365 weapon light with the trigger guard of the SIG SAUER® P365.
 - Slide the light into position until it securely locks into place.
3. **Reinsert the Battery:** Once mounted, reinsert the CR1/3 N battery, ensuring correct polarity.
4. **Test the Light:** Power on the weapon light to confirm proper installation and functionality.

Usage

- To activate the weapon light, press the activation button located on the side of the light.
- For continuous illumination, press and hold the button. Release to turn off.
- For momentary illumination, press the button quickly and release.
- Regularly check the battery status to ensure optimal performance. Replace the battery as needed.

Disposal Instructions

- Dispose of the FOXTROT365 weapon light and its components in accordance with local regulations.
- Do not dispose of batteries in regular household waste. Follow local guidelines for battery disposal or recycling.
- If the product is no longer usable, ensure it is disposed of in a manner that prevents access by children or

unauthorized individuals.

Contact Information for Further Support

For any questions or concerns regarding the FOXTROT365 Tactical White Light, please refer to the manufacturer's website or customer support resources for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your FOXTROT365 Tactical White Light. Always prioritize safety and responsible usage to enhance your experience with this product. Thank you for your commitment to safety and responsible firearm use.
