VERTEX ELECTRONIC LOWPROFILE EARMUFF

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Radians Vertex™ Electronic LowProfile Earmuff. This product is designed to provide effective hearing protection while enhancing sound awareness, making it ideal for use on the shooting range and in various field applications. Please read this safety instruction guide carefully to ensure safe and effective use of the earmuff.

General Safety Guidelines

- Always use the earmuff in accordance with the manufacturer's instructions.
- Ensure that the earmuff fits properly to maximize hearing protection.
- Regularly inspect the earmuff for any signs of damage or wear before each use.
- Keep the earmuff clean and free from debris to maintain optimal performance.
- Store the earmuff in a dry place when not in use to prevent damage.
- Be aware of your surroundings while using the earmuff, as it can amplify certain sounds.

Specific Safety Precautions for Use

- Do not expose the earmuff to extreme temperatures or moisture.
- Avoid using the earmuff in environments where it may be exposed to hazardous materials.
- Ensure that the earmuff is not used as a substitute for other protective equipment when required.
- Children should be supervised when using the earmuff to ensure proper fit and use.
- Do not modify the earmuff in any way, as this may compromise its safety features.

Instructions for Installation and Usage

1. Charging the Earmuff:

- Use the included MicroUSB cord to charge the lithiumion battery.
- Connect the cord to a USB power source and the earmuff's charging port.
- A fully charged battery provides longer run times without the need for replacements.

2. Wearing the Earmuff:

- Adjust the headband for a snug but comfortable fit.
- Ensure the ear cups fully cover your ears to provide adequate noise reduction.
- Check that the earmuff is securely in place before use.

3. Using the Earmuff:

- Turn on the earmuff to activate the dual stereo microphones.
- Adjust the volume to an appropriate level for your environment.
- Be mindful of the sound compression feature, which activates at levels over 85dB.

4. Folding the Earmuff:

- To store the earmuff, gently fold the headband for compact storage.
- Ensure that the earmuff is clean and dry before folding.

Disposal Instructions

- Dispose of the earmuff in accordance with local regulations regarding electronic waste.
- Remove the lithiumion battery before disposal, if applicable, and recycle it properly.
- Do not dispose of the earmuff in regular household waste.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

The Radians Vertex™ Electronic LowProfile Earmuff is a reliable hearing protection solution designed with your safety in mind. By following the guidelines and instructions outlined in this manual, you can ensure a safe and effective experience while using your earmuff. Always prioritize safety and be aware of your surroundings while using hearing protection.
