

FUSION LIGHTWING ADAPTER - UNITY TACTICAL FUSION LIGHTWING ADAPTER RIGHT HAND BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

Designed specifically for the FUSION Micro Hub, the FUSION LightWing Adapter allows the user to mount both a backup iron sight and light in conjunction with the ATPIAL or ATPIAL-C Multi-Function Aiming Laser. The FUSION LightWing adapter is designed to extend the light out under the side of the ATPIAL while still mounting on the top rail. It is lightweight, low profile and compatible with a wide range of FUSION accessories. Mounting the unit behind the ATPIAL still allows access to the battery compartment without removing either unit. Note: This part comes in both Left and Right side versions, however either side can be used ambidextrously depending on where the Micro Hub is placed. A Left Hand LightWing Adapter will put the light on the left side of the ATPIAL if the Micro Hub is mounted behind the ATPIAL. If the Micro Hub is mounted in front of the ATPIAL, a Left Hand ATPIAL Adapter can be reversed and used on the right side of the weapon.

Attributes

- Name: [UNITY TACTICAL FUSION LIGHTWING ADAPTER RIGHT HAND BLACK](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 100043369

FUSION LIGHTWING ADAPTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the FUSION LightWing Adapter. This guide provides essential safety instructions and operational guidelines to ensure the safe use of the product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the adapter for any signs of damage or wear. Do not use if damaged.
- Always follow local laws and regulations regarding the use of tactical accessories.
- Report any unsafe products or incidents to local authorities.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the FUSION LightWing Adapter is compatible with your specific model of the ATPIAL or ATPIALC.
- **Mounting:** Follow the installation instructions carefully to avoid improper mounting, which may lead to product failure.
- **Light Use:** Do not look directly into the light source as it may cause eye damage.
- **Battery Access:** When accessing the battery compartment, ensure the unit is powered off to avoid accidental activation.
- **Handling:** Use caution when handling the adapter, especially when the light is attached, to prevent burns or injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation.
- Ensure the workspace is clean and free of obstructions.

2. Installation:

- Identify the location on the ATPIAL where the FUSION LightWing Adapter will be mounted.
- Align the adapter with the mounting rail, ensuring it is positioned correctly for your intended use (left or right side).
- Secure the adapter using the provided screws, ensuring it is tightly fastened but not overtightened to avoid damage.

3. Usage:

- Once installed, check that the adapter is securely attached before use.
- Attach the light and backup sight as per the manufacturer's instructions.
- Test the functionality of the light and sight to ensure they operate correctly.

4. Adjustments:

- If using the Left Hand LightWing Adapter, be aware of the positioning based on the Micro Hub

placement.

- For ambidextrous use, confirm that the adapter can be easily switched to the opposite side if needed.

Disposal Instructions

- Dispose of the FUSION LightWing Adapter and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the FUSION LightWing Adapter, please refer to the manufacturer's website or customer support resources for assistance.

By following these guidelines, you can ensure the safe and effective use of your FUSION LightWing Adapter. Thank you for prioritizing safety.
