

P80 SLIDE ASSEMBLY - PF940C/PFC9 - POLYMER80 P80 G19 GEN3 COMPLETE SLIDE ASSEMBLY

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

A Complete Slide Assembly Designed to Finish Your PF Series Pistol Frame

If you've finished up your PF-Series Polymer80 frame and are in the final stretch of your build or you just want to add a fresh touch to your OEM Glock pistol frame, Polymer80 has the perfect upper half for you. This P80 Slide Assembly is a complete, ready-to-shoot assembly that will mount to your compatible pistol frame in seconds, and all you need to do is add ammo and shoot! Each Polymer80 PF-Series Complete 9mm Slide Assembly is machined from steel and finished with a black-nitride treatment. After finishing, the slide is matched with Polymer80's own slide components, including a nitride-finish barrel, open sights and a guide rod. The slide assembly is compatible with both PF-Series 9mm frames, as well as OEM Glock G19 and G17 frames.

P80 Slide Assembly Safety Instructions

Introduction

Thank you for choosing the P80 Slide Assembly for your PF940C/PFC9 Polymer80 P80 G19 Gen3. This product is designed to enhance your shooting experience and is compatible with both PF Series 9mm frames and OEM Glock G19 and G17 frames. It is essential to follow the safety instructions outlined in this guide to ensure safe and proper use of the slide assembly.

General Safety Guidelines

- Always treat the firearm with respect and caution, as it is a dangerous tool.
- Ensure that you are familiar with the laws and regulations regarding firearm ownership and usage in your area.
- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting your firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its components securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the slide assembly is compatible with your specific frame before installation.
- Do not attempt to modify or alter the slide assembly in any way, as this could lead to unsafe conditions.
- Always use the correct ammunition type (9 mm Luger) as specified for this slide assembly.
- Avoid using damaged or reloaded ammunition, as this may cause malfunctions or accidents.
- Be aware of your surroundings and ensure that you have a clear and safe shooting area.
- Do not engage in shooting activities while under the influence of alcohol or drugs.

Instructions for Installation and Usage

1. Installation:

- Ensure that your PF Series Polymer80 frame is complete and ready for the slide assembly.
- Align the slide assembly with the frame, ensuring that all components fit securely.
- Gently slide the assembly onto the frame until it is fully seated.
- Confirm that the slide moves freely and operates correctly before proceeding.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction when loading.
- After loading, check that the safety mechanisms are engaged until you are ready to fire.
- Follow standard shooting practices, including proper grip and stance.
- After shooting, always clear the firearm before handling or storing it.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the slide assembly in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods for firearms and related components.

Contact Information for Further Support

For any safety inquiries or concerns regarding the P80 Slide Assembly, please refer to the appropriate contact point for assistance. Ensure that you have the product details available when seeking support.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your P80 Slide Assembly. Always prioritize safety and responsible handling of your firearm.
