Safety Instruction Guide for ENERGIZER ULTIMATE LITHIUM AAA BATTERY

Introduction

Thank you for choosing Energizer® Ultimate Lithium™ AAA Batteries. These batteries are designed to provide you with reliable power for your devices. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use batteries according to the manufacturer's instructions.
- Keep batteries out of reach of children and pets.
- Store batteries in a cool, dry place away from direct sunlight and heat sources.
- Do not expose batteries to extreme temperatures or humidity.
- Dispose of batteries properly and do not incinerate them.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not mix old and new batteries or different types of batteries (e.g., alkaline with lithium).
- Ensure that the battery is installed in the correct orientation, matching the positive (+) and negative (-) ends with the device's terminals.
- Do not attempt to recharge nonrechargeable batteries.
- Do not puncture, crush, or expose batteries to fire.
- If a battery leaks, avoid contact with the leaked material. Wear gloves and clean the area thoroughly.

Instructions for Installation and Usage

1. Installation:

- Open the battery compartment of your device.
- Insert the Energizer® Ultimate Lithium™ AAA Battery, ensuring the positive (+) and negative (-) ends are aligned correctly.
- Close the battery compartment securely.

2. Usage:

- Use the batteries in devices that require AAA batteries.
- Monitor the performance of your devices. If they operate inefficiently, check the batteries for proper installation or replace them if necessary.

Disposal Instructions

- Dispose of used batteries in accordance with local regulations.
- Many retailers and community programs offer battery recycling. Check with local waste management authorities for designated disposal locations.
- Do not throw batteries in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of Energizer® Ultimate Lithium™ AAA Batteries, please contact the manufacturer or visit the official website for more information.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
