

# SHIRT SHIELD FOR RIGID TQ CASE WITH HARDWARE - ELEVEN 10 RIGID TQ SHIRT SHIELD, COYOTE

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Supplies](#)

The Eleven 10® RIGID TQ Case® Shirt Shield for C-A-T® is an optional accessory that when installed, creates a barrier between your body, shirt, and the exposed portion of your tourniquet. A great way to prevent premature wear on duty uniforms, preventing any rub marks or fraying that may occur with duty gear worn snug to the body. Installs quickly and comes with necessary hardware. Features: Injection molded one-piece construction Lightweight construction adds little weight to your RIGID TQ Case® Quick installation Prevents premature wear on duty uniforms Comes with all necessary hardware Does not include the RIGID TQ Case® NOTE: Will not work with the legacy Kydex TQ Cases NOTE: TQ Cases will not be able to be worn in the "low ride configuration" with the Shirt Shield installed All of Eleven 10®'s products are designed, manufactured and assembled in the USA.

# Safety Instruction Guide for SHIRT SHIELD FOR RIGID TQ CASE WITH HARDWARE

## Introduction

Thank you for choosing the Eleven 10® RIGID TQ Case® Shirt Shield. This product is designed to enhance your experience by providing a protective barrier between your body and the exposed portion of your tourniquet. This guide provides essential safety instructions and guidelines to ensure safe usage and installation.

## General Safety Guidelines

- Ensure that the Shirt Shield is compatible with your RIGID TQ Case®.
- Always inspect the Shirt Shield and hardware for any damages before installation.
- Do not use the Shirt Shield if any components are missing or damaged.
- Keep the product out of reach of children to prevent any accidental use or injury.
- Regularly check for wear and tear on the Shirt Shield to ensure continued safety and effectiveness.

## Specific Safety Precautions for Use

- The Shirt Shield is designed for use with the Eleven 10® RIGID TQ Case® only.
- Do not attempt to use the Shirt Shield with legacy Kydex TQ Cases.
- The Shirt Shield should not be installed if you plan to use the TQ Case in a “low ride configuration.”
- Ensure that the Shirt Shield is properly installed before use to prevent any accidents.
- If you experience any discomfort or issues while using the product, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Gather all necessary hardware included with the Shirt Shield.
- Ensure the RIGID TQ Case® is clean and free from any debris.
- Align the Shirt Shield with the designated areas of the RIGID TQ Case®.
- Secure the Shirt Shield using the provided hardware, ensuring all components are tight and secure.
- Doublecheck the installation to confirm that the Shirt Shield is properly attached.

### 2. Usage Guidelines:

- Wear the RIGID TQ Case® with the Shirt Shield installed as intended.
- Regularly check the installation to ensure it remains secure during use.
- Avoid any excessive force or pressure on the Shirt Shield to maintain its integrity.

## Disposal Instructions

- Dispose of the Shirt Shield and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or considered hazardous.
- If unsure about disposal methods, consult local waste management authorities for guidance.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official Eleven 10® website or customer service channels.

This guide is designed to ensure your safety and enhance your experience with the Eleven 10® RIGID TQ Case® Shirt Shield. Please follow all instructions carefully and do not hesitate to reach out for assistance if needed.
