# **Safety Instruction Guide for MBOK (MINI BLOW OUT KIT) POUCH ELEVEN 10 MBOK POUCH COYOTE**

## **Introduction**

Thank you for choosing the Eleven 10® / CLEER Medical MBOK (Mini Blowout Kit) Pouch. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the pouch.

## **General Safety Guidelines**

- Always ensure the pouch is stored in a clean and dry environment.
- Inspect the pouch for any damage or wear before each use.
- Keep the pouch out of reach of children unless supervised by an adult.
- Do not use the pouch for purposes other than its intended use.
- Report any unsafe conditions or incidents related to this product to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure the pouch is securely attached to your gear using the MOLLE system before use.
- Avoid overloading the pouch with items beyond its intended capacity.
- When deploying the inner pocket, pull the extended tabs gently to prevent tearing.
- Do not attempt to modify or alter the pouch in any way.
- Be cautious when using the pouch in environments that may expose it to extreme temperatures, moisture, or chemicals.

## **Instructions for Installation and Usage**

### **Installation**

1. Choose a suitable location on your gear for the pouch.
2. Align the MOLLE straps of the pouch with the corresponding slots on your gear.
3. Insert the straps through the slots and secure them by pulling them tight.
4. Ensure the pouch is firmly attached and does not move.

### **Usage**

1. To deploy the inner pocket, locate the extended pull tabs on the top or bottom of the pouch.
2. Pull the tabs gently but firmly to release the inner pocket.
3. Use the contents of the inner pocket as needed, following the intended use guidelines.
4. After use, ensure all items are returned to the inner pocket and securely close it.

## **Disposal Instructions**

- Dispose of the pouch in accordance with local regulations.
- If the pouch is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the pouch in regular household waste if it contains hazardous materials.
