# Safety Instruction Guide for MBOK (Mini Blow Out Kit) Pouch

## Introduction

Thank you for choosing the Eleven 10® / CLEER Medical MBOK (Mini Blow Out Kit) Pouch. This guide provides essential safety information to ensure the safe use and handling of the product. Please read this guide carefully before using the pouch.

## General Safety Guidelines

- Ensure the pouch is used solely for its intended purpose as a medical supply carrier.
- Regularly inspect the pouch for any signs of wear, damage, or malfunction before each use.
- Keep the pouch out of reach of children and vulnerable individuals when not in use.
- Store the pouch in a cool, dry place away from direct sunlight and moisture to maintain its integrity.
- Follow all local regulations regarding the storage and use of medical supplies.

## Specific Safety Precautions for Use

- Always ensure that the inner pocket is securely closed before deploying it to avoid accidental spills.
- When pulling the inner pocket from the pouch, use the extended pull tabs to prevent injury.
- Avoid overloading the pouch beyond its designed capacity to maintain safe handling and usability.
- Do not attempt to modify or repair the pouch. Contact a professional if repairs are needed.
- Be aware of the surroundings when deploying the inner pocket to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Attaching the Pouch:

- Use the Helium Whisper® MOLLE attachment system to securely attach the pouch to your gear.
- Ensure that the pouch is firmly attached and does not shift during movement.

### 2. Deploying the Inner Pocket:

- To deploy the inner pocket, pull the extended pull tabs located at the top or bottom.
- Ensure a firm grip on the pouch while pulling to facilitate easy deployment.

### 3. Removing the Inner Component Tray:

- The inner component tray can be removed by either pulling downward or upward on the pull tabs.
- No additional motions, such as snaps or straps, are required for deployment.

### 4. Using the Pouch:

- Store medical supplies in the inner pocket, ensuring they are organized and easily accessible.
- Close the inner pocket securely after use to protect contents from external elements.

## Disposal Instructions

- Dispose of the pouch responsibly in accordance with local waste management regulations.
- If the pouch is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the pouch in regular household waste if it contains medical supplies.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MBOK (Mini Blow Out Kit) Pouch, please contact your local distributor or manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your Eleven 10® / CLEER Medical MBOK Pouch. Always prioritize safety and stay informed about best practices for medical supply handling. Thank you for your attention to these important guidelines.
