TSERIES 2SLOT BELT LOOP BLACKHAWK Safety Instruction Guide

Introduction

Thank you for purchasing the TSeries™ 2Slot Belt Loop by BLACKHAWK. This product is designed to enhance your experience with Blackhawk injection molded holsters. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the belt loop before use to ensure it is in good condition.
- Do not use the product if you notice any signs of wear or damage.
- Keep the product out of reach of children to prevent accidental use or injury.
- Ensure that the belt loop is compatible with your specific holster model.
- Follow all manufacturer instructions for the holster being used with the belt loop.

Specific Safety Precautions for Use

- Use the belt loop only for its intended purpose, which is to secure Blackhawk injection molded holsters.
- Avoid exposing the belt loop to extreme temperatures or harsh chemicals that may degrade the material.
- When attaching or detaching the belt loop, ensure that your fingers and other body parts are clear of any moving parts to avoid injury.
- Do not overload the belt loop with excessive weight that exceeds the manufacturer's specifications.
- Regularly check the tightness of the belt loop to ensure it remains securely fastened during use.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable position on your belt for the belt loop.
- Slide the belt loop onto the belt, ensuring it is oriented correctly for your holster.
- Adjust the position as needed for comfort and accessibility.
- Ensure that the belt loop is securely fastened and does not slide or shift during use.

2. Usage:

- Once the belt loop is installed, attach your Blackhawk injection molded holster according to the holster's instructions.
- Ensure that the holster is properly seated in the belt loop.
- Test the holster's stability by gently tugging on it to confirm that it is securely attached.
- When drawing from the holster, maintain a firm grip and ensure that the belt loop remains stable.

Disposal Instructions

- Dispose of the TSeries 2Slot Belt Loop responsibly.
- If the product is no longer usable, consider recycling where facilities are available.
- Follow local regulations for the disposal of plastic products to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding the safety and use of the TSeries 2Slot Belt Loop, please reach out to the

appropriate EUbased contact point or customer support service provided by BLACKHAWK.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TSeries 2Slot Belt Loop. Stay informed about product safety by checking for updates on the EU's Safety Gate platform and reporting any unsafe products or incidents to the relevant authorities. Thank you for choosing BLACKHAWK.
