# SA35 9MM LUGER MAGAZINE SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the SA35 9MM Luger Magazine by Springfield Armory. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is used only with compatible firearms designed for 9MM Luger cartridges.
- Always treat the magazine as if it is loaded, even when it is empty.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any signs of damage or wear before each use.
- Store the magazine in a cool, dry place away from direct sunlight or extreme temperatures.
- Follow all local laws and regulations regarding the handling and storage of magazines and firearms.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Misloading: Ensure that cartridges are loaded correctly to avoid jams or misfires.
- Overloading: Do not exceed the magazine's capacity of 15 rounds.
- Improper Handling: Always handle the magazine with care to prevent accidental discharge.

- **Avoiding Hazards:**

- Always load and unload the magazine in a safe environment, away from people and animals.
- Do not attempt to modify or alter the magazine in any way.
- Never point the magazine at anything you do not intend to shoot.
- Keep fingers away from the trigger and magazine release when loading or unloading.

- **Age Specific Warnings:**

- This magazine is not intended for use by individuals under the age of 18. Ensure that any users are trained and knowledgeable about firearms safety.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Insert the magazine into the magazine well of the firearm until it clicks into place.
3. Verify that the magazine is securely attached before proceeding to load.

- **Usage:**

1. Load the magazine by pressing the cartridges down into the magazine until they are seated properly.
2. Ensure that the magazine is not overloaded beyond its 15 round capacity.
3. To remove the magazine, press the magazine release button on the firearm and gently pull the magazine out.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations and guidelines for metal recycling.
- If the magazine is damaged or no longer functional, do not attempt to repair it; instead, dispose of it properly to prevent misuse.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the SA35 9MM Luger Magazine, please refer to the manufacturer's website or contact their customer support for assistance.

## Conclusion

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your SA35 9MM Luger Magazine. Always prioritize safety and responsibility when handling firearms and ammunition. Thank you for your attention to these important safety measures.
