

# AR-15 TAKEDOWN PINS STAINLESS STEEL 5.56MM - FORWARD CONTROLS DESIGN AR-15 TAKEDOWN PINS .040 EXTRA LENGTH BLK 5.56MM

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Receiver Pins](#)

PF-040 (Pins, Forward Controls, 0.040) is a set of elegantly simple, and superbly crafted AR15/M16 pivot and take down pins. Machined from 17-4 PH SS bar stock and QPQ finished, these pins are 0.040 longer than TDP spec pivot and take down pins. PF-040 pins can be aptly described as "reverse extended", in that they're longer on the left side of the receiver, the additional length of the take down pin doesn't interfere with ambidextrous safety operation. When PF-040 pins are pushed in from the left side, the +0.040 transforms to extra length and grasping area on the right side pin head, which combined with their silky smoothness, makes pulling the pin a cinch. PF-040 has the same elegant and unadorned pin heads design that is in line with our design philosophy which prioritizes functionality over aesthetics. PF-040 right side pin heads (when installed on a receiver, with the muzzle pointing away) are flat, with a small 45 degree chamfer. There is a small dimple on the left pin head, and the tip of bullets (up to 9mm) can be used to push the pins in on tight fitting receivers. AR-15/M16 17-4 QPQ treated pivot and take down pin 0.040 extra length NOTE: PF-040 may not work "PDW" stocks that have bars overlapping the take down pin holes.

## Attributes

- Name: [FORWARD CONTROLS DESIGN AR-15 TAKEDOWN PINS .040 EXTRA LENGTH BLK 5.56MM](#)
- Manufacturer: [FORWARD CONTROLS DESIGN](#)
- Product no.: 100044420
- Mfr. No.: PF-040 (PINS FO
- Weapon type: AR-15
- Delivery weight: 0.032kg
- Shipping height: 25mm
- Shipping width: 83mm
- Shipping length: 140mm
- UPC: 680665827107

# AR15 Takedown Pins Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Takedown Pins manufactured by Forward Controls Design. These pins are designed for enhanced functionality and ease of use. This safety instruction guide provides essential information to ensure safe handling, installation, and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the AR15 Takedown Pins by following all instructions carefully. These pins are designed for nonfood use and should only be used as specified.
- **Enhanced Recalls:** Stay informed about any product recalls. If a safety issue arises, you will be notified through standardized recall notices.
- **Online Shopping:** When purchasing online, ensure the seller meets safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by vulnerable groups. Ensure that children do not have access to the product.
- **EU Contact Point:** For safety inquiries, you can reach out to your local EU contact point.
- **Rapid Alerts:** Keep an eye on the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Identification of Hazards:**
  - Improper installation may lead to malfunction or injury.
  - Ensure the pins are compatible with your specific AR15 model.
- **Avoiding Hazards:**
  - Always verify that the firearm is unloaded before installation or removal of the pins.
  - Use the pins only as intended; do not modify or alter them.
- **Age and Audience Specific Warnings:**
  - This product is intended for use by individuals aged 18 years and older.
  - Keep out of reach of children and unauthorized users.

## Instructions for Installation and Usage

### • Installation:

1. Ensure your AR15 is unloaded and pointed in a safe direction.
2. Remove the existing pivot and takedown pins from your firearm.
3. Align the PF040 pins with the pin holes on the receiver.
4. Push the pins in from the left side until they are fully seated.
5. Verify that the pins are secure and function correctly before use.

### • Usage:

- To disengage the pins, push them in from the left side using a bullet tip or a suitable tool if necessary.
- Ensure that the firearm is always pointed in a safe direction when manipulating the pins.
- Regularly inspect the pins for wear or damage before each use.

## Disposal Instructions

- **Disposal of Pins:**

- If the pins are damaged or no longer usable, dispose of them in accordance with local regulations for metal waste.
- Do not throw the pins in regular household trash. Check for recycling options in your area.

## Contact Information for Further Support

For any questions or concerns regarding the AR15 Takedown Pins, please refer to your local EU contact point or the manufacturer's website for further information.

By following these guidelines, you can ensure a safe and effective experience with the AR15 Takedown Pins. Thank you for your attention to safety, and enjoy your product!
