

# RAZOR DIGITAL EAR MUFFS - WALKERS GAME EAR RAZOR DIGITAL EAR MUFF ATACS IX CAMO

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

RAZOR DIGITAL EAR MUFFS The razor pro digital ear muffs utilize advanced digital circuitry to provide enhanced clarity of desirable ambient sounds such as voice, high-frequency steel impact, and environmental sounds like animal movement while offering improved suppression of undesirable background noise, such as wind. Combined, the razor pros sound processing makes for a clearer and more comfortable audio experience on the range or in the field. The razor digital continues the ergonomic design and diverse functionality of the razor series with compact ear cups that minimize interference when shouldering long guns, a redesigned headband for hours of comfortable wear, and an easy-to-operate control knob. An auto shut-off function can be set for two, four, or six hours to deliver longer life if the shooter forgets to turn off the unit. High-gain omni directional microphones provide 360-degree sound pickup to eliminate audio blind spots. SPECS: Advanced Digital Circuit Active Dynamic Sound Suppression Hi Gain Omni Directional Mics Clear digital sound Lightning Fast reaction time Wind noise reduction Auto shut off 2/4/6 hours NRR 23 New ergonomic head band design Powered by 2 (AAA) batteries - included

# Safety Instruction Guide for RAZOR DIGITAL EAR MUFFS

## Introduction

Thank you for choosing the RAZOR DIGITAL EAR MUFFS by Walkers Game Ear. These ear muffs are designed to provide enhanced sound clarity while protecting your hearing in various environments. To ensure your safety and the best performance of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the ear muffs by following all instructions provided. This product is designed to meet EU safety standards.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, follow the instructions provided for safe return or remedy.
- **Online Shopping Safety:** When purchasing online, ensure that the retailer complies with safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, particularly children. Ensure they are supervised if using the ear muffs.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point provided by the retailer.
- **Rapid Alerts:** Keep updated on any safety alerts regarding this product through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hearing Protection:** Always wear the ear muffs when exposed to loud environments to protect your hearing.
- **Battery Safety:** Use only the specified type of batteries (2 AAA batteries included). Do not mix old and new batteries or different types of batteries.
- **Moisture Exposure:** Avoid exposing the ear muffs to excessive moisture or extreme temperatures, as this may damage the electronic components.
- **Proper Fit:** Ensure that the ear muffs fit snugly over your ears for optimal sound quality and protection. Adjust the headband as necessary.
- **Auto ShutOff Feature:** Utilize the auto shutoff function to conserve battery life. Set the timer for 2, 4, or 6 hours as needed.
- **Supervision:** Always supervise children when using the ear muffs to prevent misuse or accidents.

## Instructions for Installation and Usage

### 1. Battery Installation:

- Open the battery compartment located on the ear muff.
- Insert 2 AAA batteries, ensuring the correct polarity (+/-) is followed.
- Close the battery compartment securely.

### 2. Adjusting the Headband:

- Place the ear muffs over your ears.
- Adjust the headband to fit comfortably and securely on your head.

### 3. Powering On/Off:

- To turn on the ear muffs, press the power button.

- To turn off, press the power button again or allow the auto shutoff feature to activate after the set time.

#### 4. **Using the Control Knob:**

- Use the control knob to adjust the volume of ambient sounds to your preference.
- Ensure the volume is set at a safe level to prevent hearing damage.

#### 5. **Sound Quality Check:**

- Test the ear muffs in a safe environment to ensure they are functioning correctly.
- Listen for any unusual sounds or malfunctions.

## **Disposal Instructions**

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations. Do not dispose of batteries in regular household waste.
- **Product Disposal:** When the ear muffs reach the end of their life, dispose of them responsibly. Check for local recycling options for electronic waste.
- **Environmental Considerations:** Follow local guidelines for disposing of electronic products to minimize environmental impact.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding the RAZOR DIGITAL EAR MUFFS, please consult the retailer or manufacturer's website for contact details and support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your RAZOR DIGITAL EAR MUFFS. Thank you for your attention to these important guidelines.
