

RAZOR DIGITAL EAR MUFFS - WALKERS GAME EAR RAZOR DIGITAL EAR MUFF ATACS GHOST CAMO

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

RAZOR DIGITAL EAR MUFFS The razor pro digital ear muffs utilize advanced digital circuitry to provide enhanced clarity of desirable ambient sounds such as voice, high-frequency steel impact, and environmental sounds like animal movement while offering improved suppression of undesirable background noise, such as wind. Combined, the razor pros sound processing makes for a clearer and more comfortable audio experience on the range or in the field. The razor digital continues the ergonomic design and diverse functionality of the razor series with compact ear cups that minimize interference when shouldering long guns, a redesigned headband for hours of comfortable wear, and an easy-to-operate control knob. An auto shut-off function can be set for two, four, or six hours to deliver longer life if the shooter forgets to turn off the unit. High-gain omni directional microphones provide 360-degree sound pickup to eliminate audio blind spots. SPECS: Advanced Digital Circuit Active Dynamic Sound Suppression Hi Gain Omni Directional Mics Clear digital sound Lightning Fast reaction time Wind noise reduction Auto shut off 2/4/6 hours NRR 23 New ergonomic head band design Powered by 2 (AAA) batteries - included

Safety Instruction Guide for RAZOR DIGITAL EAR MUFFS

Introduction

Thank you for choosing the RAZOR DIGITAL EAR MUFFS by Walkers Game Ear. These ear muffs are designed to enhance your auditory experience while providing protection against harmful noise levels. This safety instruction guide outlines essential safety guidelines, precautions for use, installation instructions, and disposal information to ensure your safe and effective use of this product.

General Safety Guidelines

- **Product Safety:** Always ensure that the ear muffs are used in accordance with the manufacturer's instructions. This product complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not designed for use by individuals under the age of 18 without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety.

Specific Safety Precautions for Use

- **Hearing Protection:** These ear muffs are designed to protect your hearing. Always wear them in noisy environments to minimize the risk of hearing damage.
- **Battery Safety:** Use only the recommended type of batteries (2 AAA batteries included). Do not mix old and new batteries or different brands.
- **Moisture Exposure:** Avoid exposing the ear muffs to moisture. Do not use them in heavy rain or submerge them in water.
- **Physical Damage:** Inspect the ear muffs regularly for any signs of wear or damage. Do not use if the ear muffs are cracked or broken.
- **Proper Fit:** Ensure the ear muffs fit securely over your ears for optimal noise reduction and comfort.
- **Control Operation:** Familiarize yourself with the control knob before use to avoid distractions while operating.

Instructions for Installation and Usage

1. Installation:

- Remove the ear muffs from the packaging.
- Ensure the headband is adjusted to fit comfortably on your head.
- Insert the included AAA batteries into the battery compartment, ensuring the correct polarity is observed.

2. Usage:

- Place the ear muffs over your ears and adjust the headband for a snug fit.
- Turn on the device using the control knob.
- Adjust the volume to a comfortable level, ensuring you can still hear important ambient sounds.
- Utilize the auto shutoff feature by setting the timer for 2, 4, or 6 hours to conserve battery life.

3. **Maintenance:**

- Clean the ear muffs with a soft, dry cloth. Avoid using any solvents or harsh cleaners.
- Store the ear muffs in a cool, dry place when not in use.

Disposal Instructions

- **Battery Disposal:** Dispose of used batteries in accordance with local regulations. Do not throw batteries in household waste.
- **Product Disposal:** When the ear muffs reach the end of their life, dispose of them in accordance with local electronic waste disposal regulations. Do not place them in regular trash.
- **Environmental Considerations:** Ensure that all components are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For further support or inquiries regarding the RAZOR DIGITAL EAR MUFFS, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your RAZOR DIGITAL EAR MUFFS. Thank you for your attention to these important safety measures.
