

RAZOR DIGITAL EAR MUFFS - WALKERS GAME EAR RAZOR DIGITAL EAR MUFF BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

RAZOR DIGITAL EAR MUFFS The razor pro digital ear muffs utilize advanced digital circuitry to provide enhanced clarity of desirable ambient sounds such as voice, high-frequency steel impact, and environmental sounds like animal movement while offering improved suppression of undesirable background noise, such as wind. Combined, the razor pros sound processing makes for a clearer and more comfortable audio experience on the range or in the field. The razor digital continues the ergonomic design and diverse functionality of the razor series with compact ear cups that minimize interference when shouldering long guns, a redesigned headband for hours of comfortable wear, and an easy-to-operate control knob. An auto shut-off function can be set for two, four, or six hours to deliver longer life if the shooter forgets to turn off the unit. High-gain omni directional microphones provide 360-degree sound pickup to eliminate audio blind spots. SPECS: Advanced Digital Circuit Active Dynamic Sound Suppression Hi Gain Omni Directional Mics Clear digital sound Lightning Fast reaction time Wind noise reduction Auto shut off 2/4/6 hours NRR 23 New ergonomic head band design Powered by 2 (AAA) batteries - included

Safety Instruction Guide for RAZOR DIGITAL EAR MUFFS

Introduction

Thank you for choosing the RAZOR DIGITAL EAR MUFFS by WALKERS GAME EAR. These ear muffs are designed to enhance your auditory experience while providing protection from harmful noise levels. This guide provides essential safety information and instructions for proper use, ensuring your safety and satisfaction.

General Safety Guidelines

To ensure safe use of the RAZOR DIGITAL EAR MUFFS, please adhere to the following guidelines:

- **Product Safety:** Always use the ear muffs as intended. Do not modify or tamper with the product.
- **Enhanced Recalls:** Stay informed about product recalls through official channels. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** These ear muffs are not intended for children under 12 years of age. Always supervise children if they are using the product.
- **EU Contact Point:** For safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

To maximize your safety and the effectiveness of the RAZOR DIGITAL EAR MUFFS, follow these precautions:

- **Avoid Loud Environments:** While the ear muffs enhance desirable sounds, they do not provide complete protection in extremely loud environments. Always be aware of your surroundings.
- **Proper Fit:** Ensure that the ear muffs fit snugly over your ears. An improper fit may reduce their effectiveness in noise reduction.
- **Battery Safety:** Use only the recommended AAA batteries. Do not mix old and new batteries or different types of batteries.
- **Moisture Exposure:** Avoid exposing the ear muffs to excessive moisture, which can damage the electronic components.
- **Regular Inspection:** Periodically check the ear muffs for any signs of damage or wear. If damaged, discontinue use immediately.

Instructions for Installation and Usage

Follow these steps for the correct installation and usage of your RAZOR DIGITAL EAR MUFFS:

1. Installing Batteries:

- Open the battery compartment located on the headband.
- Insert two AAA batteries, ensuring correct polarity (+ and -).
- Close the battery compartment securely.

2. Wearing the Ear Muffs:

- Adjust the headband for a comfortable fit.
- Place the ear cups over your ears, ensuring a tight seal to block out unwanted noise.

3. **Operating the Control Knob:**

- Turn the control knob to adjust the volume of ambient sounds.
- Familiarize yourself with the knob's sensitivity to find your preferred setting.

4. **Using the Auto ShutOff Feature:**

- Choose the desired shutoff time (2, 4, or 6 hours) by following the instructions in the user manual.
- This feature helps prolong battery life if the unit is left on.

5. **Cleaning and Maintenance:**

- Wipe the ear muffs with a soft, damp cloth to clean.
- Avoid using harsh chemicals or solvents.

Disposal Instructions

Proper disposal of the RAZOR DIGITAL EAR MUFFS is essential to protect the environment:

- **Batteries:** Dispose of used batteries according to local regulations for battery recycling.
- **Product Disposal:** When the ear muffs reach the end of their life, dispose of them in accordance with local waste management guidelines. Consider recycling if possible.

Contact Information for Further Support

For any inquiries regarding the RAZOR DIGITAL EAR MUFFS, please refer to the contact information provided by the retailer or manufacturer. They can assist you with any questions regarding safety, usage, or product support.

Thank you for your attention to these safety instructions. Enjoy your enhanced auditory experience with the RAZOR DIGITAL EAR MUFFS!
