

X-TRM DIGITAL RAZOR EAR MUFFS - WALKERS GAME EAR RAZOR X-TRM DIGITAL EAR MUFF W/ COOLING PADS GREY

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Not only do they offer cutting-edge sound enhancement and hearing protection, Walker's® X-TRM Razor Digital Earmuffs feature an extremely low-profile design with premium wearing comfort. This headset utilizes advanced digital circuitry to provide enhanced clarity of desirable ambient sounds, such as voice, and animal movement, while offering active, dynamic suppression of undesirable noise, such as gun blasts or wind in the background. Hi-gain omnidirectional microphones enhance sound directionality, so you can tell where game is approaching from. The sound activated compression reacts in fractions of a second, providing NRR 23 dB hearing protection. Walker's X-TRM Razor Digital Earmuffs feature an improved ergonomic headband design that incorporates a rubberized coating, Cool Mesh headband, and Comfort Gel earpads for premium comfort during long afternoons at the range. This comfortable headband and compact ear cups are engineered to interfere minimally with gunstocks. An auto shut-off function can be set for 2, 4, or 6 hours. Runs on 2 AAA batteries (included).

XTRM Digital Razor Ear Muffs Safety Instruction Guide

Introduction

Thank you for choosing the Walker's XTRM Digital Razor Ear Muffs. These earmuffs are designed to enhance your hearing experience while providing protection against loud noises. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read the instructions before use.
- Ensure that the earmuffs are properly fitted for optimal performance.
- Regularly inspect the earmuffs for any damage or wear.
- Keep the earmuffs away from children and vulnerable individuals unless under adult supervision.
- Do not use the earmuffs in environments with extreme temperatures or humidity.
- Avoid exposing the earmuffs to liquids or solvents.
- Report any unsafe product experiences to the relevant authorities.

Specific Safety Precautions for Use

- **Hearing Protection:** The XTRM Digital Earmuffs provide an NRR of 23 dB. Ensure they are worn correctly to achieve maximum noise reduction.
- **Battery Safety:** Use only the specified 2 AAA batteries. Do not mix old and new batteries or different brands.
- **Microphone Use:** Be aware of your surroundings when using the microphones. Do not rely solely on the earmuffs for situational awareness.
- **Auto ShutOff:** Set the auto shutoff function to prevent battery drain after use.
- **Comfort:** Adjust the headband and ear cups for a snug fit to ensure comfort during extended use.

Instructions for Installation and Usage

1. Installation of Batteries:

- Open the battery compartment located on the earmuffs.
- Insert two AAA batteries, ensuring the correct polarity is followed.
- Close the battery compartment securely.

2. Wearing the Earmuffs:

- Adjust the headband to fit your head comfortably.
- Place the ear cups over your ears, ensuring a proper seal to block out noise.
- Make sure the earmuffs do not interfere with any headgear or helmets.

3. Using the Earmuffs:

- Turn on the earmuffs using the power button.
- Adjust the volume settings as needed for ambient sound clarity.
- Monitor the environment and be aware of any changes in sound levels.

4. Powering Off:

- Turn off the earmuffs after use to conserve battery life.

- If using the auto shutoff feature, set your preferred time (2, 4, or 6 hours).

Disposal Instructions

- Dispose of the earmuffs according to local regulations.
- Remove the batteries before disposal and recycle them at designated battery recycling points.
- Do not dispose of the earmuffs in general household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the official website or customer support channels of Walker's Game Ear. Ensure you have your product details handy for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Walker's XTRM Digital Razor Ear Muffs. Thank you for your attention to safety.
