

# X-TRM DIGITAL RAZOR EAR MUFFS - WALKERS GAME EAR RAZOR X-TRM DIGITAL EAR MUFF W/ COOLING PADS BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Not only do they offer cutting-edge sound enhancement and hearing protection, Walker's® X-TRM Razor Digital Earmuffs feature an extremely low-profile design with premium wearing comfort. This headset utilizes advanced digital circuitry to provide enhanced clarity of desirable ambient sounds, such as voice, and animal movement, while offering active, dynamic suppression of undesirable noise, such as gun blasts or wind in the background. Hi-gain omnidirectional microphones enhance sound directionality, so you can tell where game is approaching from. The sound activated compression reacts in fractions of a second, providing NRR 23 dB hearing protection. Walker's X-TRM Razor Digital Earmuffs feature an improved ergonomic headband design that incorporates a rubberized coating, Cool Mesh headband, and Comfort Gel earpads for premium comfort during long afternoons at the range. This comfortable headband and compact ear cups are engineered to interfere minimally with gunstocks. An auto shut-off function can be set for 2, 4, or 6 hours. Runs on 2 AAA batteries (included).

# XTRM Digital Razor Ear Muffs Safety Instruction Guide

## Introduction

Thank you for choosing the XTRM Digital Razor Ear Muffs by Walker's Game Ear. These earmuffs are designed for effective sound enhancement and hearing protection in various environments. This guide provides essential safety instructions to ensure safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

To ensure your safety while using the XTRM Digital Razor Ear Muffs, please follow these guidelines:

- Always read the user manual before using the product.
- Ensure the earmuffs are properly fitted and adjusted for maximum comfort and effectiveness.
- Regularly inspect the earmuffs for any signs of damage or wear. Do not use if damaged.
- Keep the earmuffs away from extreme temperatures and moisture.
- Use the earmuffs only as intended, and follow all instructions provided.
- Do not modify or tamper with the earmuffs in any way.
- If you experience discomfort or any adverse effects while using the earmuffs, discontinue use and consult a professional.

## Specific Safety Precautions for Use

When using the XTRM Digital Razor Ear Muffs, please observe the following safety precautions:

- **Hearing Protection:** The earmuffs provide NRR 23 dB hearing protection. Ensure they are worn at all times in noisy environments.
- **Sound Activation:** Be aware that the soundactivated compression feature reacts quickly to loud noises. Ensure that the earmuffs are functioning correctly before use.
- **Microphone Sensitivity:** The higain omnidirectional microphones enhance sound directionality. Use caution when relying on ambient sounds, especially in hunting or shooting situations.
- **Age Restrictions:** These earmuffs are not intended for children under 12 years of age without adult supervision.
- **Battery Safety:** The earmuffs operate on 2 AAA batteries (included). Ensure batteries are correctly installed and do not mix old and new batteries.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the XTRM Digital Razor Ear Muffs:

### 1. Fitting the Earmuffs:

- Adjust the headband to fit comfortably on your head.
- Ensure the ear cups cover your ears completely for optimal protection.

### 2. Powering On:

- Insert the provided AAA batteries into the battery compartment, ensuring correct polarity.
- Press the power button to turn on the earmuffs.

### 3. Adjusting Settings:

- Use the volume controls to adjust the sound to a comfortable level.
- Set the auto shutoff feature for 2, 4, or 6 hours as needed.

#### **4. Using the Earmuffs:**

- Wear the earmuffs in noisy environments or during shooting activities.
- Be alert to your surroundings, as the earmuffs enhance certain sounds while suppressing others.

#### **5. Turning Off:**

- After use, press the power button to turn off the earmuffs.
- Remove the batteries if the earmuffs will not be used for an extended period.

## **Disposal Instructions**

When the XTRM Digital Razor Ear Muffs reach the end of their life cycle, dispose of them responsibly:

- Do not dispose of the earmuffs in regular household waste.
- Check local regulations for proper disposal of electronic devices and batteries.
- Consider recycling programs for electronic waste in your area.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your XTRM Digital Razor Ear Muffs. Always prioritize your safety and the safety of others while using this product. Thank you for your attention to these guidelines.
