Safety Instruction Guide for Walker's Full Coverage Sport Shooting Glasses

Introduction

Thank you for choosing Walker's Full Coverage Sport Shooting Glasses. These glasses are designed to provide optimal eye protection while ensuring comfort and visibility. This guide outlines important safety instructions and guidelines to ensure you use the product effectively and safely.

General Safety Guidelines

- Ensure the glasses fit securely and comfortably over your prescription glasses, if applicable.
- Regularly inspect the glasses for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding eye protection during shooting and other activities.
- Keep the glasses away from children and ensure they are used only by individuals who understand the importance of eye protection.

Specific Safety Precautions for Use

- Always wear the glasses when engaging in shooting activities or when in environments where eye protection is required.
- Do not use the glasses for purposes other than intended (e.g., not as sunglasses for driving).
- Avoid using the glasses in extreme conditions that may affect visibility (e.g., fog, heavy rain).
- If you experience any discomfort, such as pressure or irritation, discontinue use immediately.

Instructions for Installation and Usage

1. Fitting the Glasses:

- Place the glasses over your prescription eyewear if needed.
- Adjust the fit to ensure they sit comfortably on your face without slipping.

2. Using the Glasses:

- Ensure that the lenses are clean and free of obstructions before use.
- Use the glasses in welllit conditions to maximize visibility.
- Make sure the ventilation features are unobstructed to promote airflow and comfort.

3. Cleaning the Glasses:

- Use a soft, lintfree cloth to clean the lenses.
- Avoid using harsh chemicals or abrasive materials that could scratch the lenses.

Disposal Instructions

- Dispose of the glasses in accordance with local waste disposal regulations.
- If the glasses are damaged beyond repair, consider recycling the materials if possible.
