WRAP AROUND SPORT SHOOTING GLASSES CLEAR

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Shooting Glasses](#)

WRAP-AROUND SPORT SHOOTING GLASSES Introducing the Wrap-Around Sport Shooting Glasses, specifically designed to meet the highest standards of safety and performance. These glasses feature polycarbonate, high-impact lenses that exceed the ANSI Z87.1-2010 high impact requirement, ensuring maximum durability and protection. They provide 99% Ultra Violet (UV) protection, making them an excellent choice for outdoor activities. The wraparound visible design allows for a wider field of vision while maintaining a secure fit. Moreover, the innovative design of these glasses promotes free airflow, preventing fogging and ensuring clear visibility in various conditions. The combination of high-impact lenses and superior UV protection makes these sport shooting glasses the ideal choice for those who prioritize safety and comfort in their eyewear. Experience enhanced performance and protection with the Wrap-Around Sport Shooting Glasses. SPECS: Polycarbonate, high-impact lenses Exceeds ANSI Z87.1-2010 high impact requirement Provides 99% Ultra Violet (UV) protection Wraparound visible design Design allows air to flow freely

Safety Instruction Guide for WrapAround Sport Shooting Glasses

Introduction

Thank you for choosing the WrapAround Sport Shooting Glasses by Walkers Game Ear. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the glasses.

General Safety Guidelines

- Always ensure that the glasses are in good condition before use. Check for any scratches, cracks, or damage to the lenses and frame.
- Use the glasses in environments that are suitable for their design, such as shooting ranges and outdoor sports activities.
- Keep the glasses out of reach of children and vulnerable individuals who may not understand the safety precautions.
- In case of an accident or injury while using the glasses, report it to the relevant authorities.

Specific Safety Precautions for Use

- **Polycarbonate Lenses:** The lenses are made from highimpact polycarbonate material. Avoid using the glasses in conditions where they could be subjected to extreme impact or pressure.
- **UV Protection:** The glasses provide 99% Ultra Violet (UV) protection. However, they do not replace the need for additional sun protection measures, such as sunscreen.
- **Fogging Prevention:** The design allows for free airflow to prevent fogging. Ensure that the glasses are worn correctly to maximize airflow.
- **Secure Fit:** Adjust the glasses to fit securely on your face to avoid slippage during use.

Instructions for Installation and Usage

1. Fitting the Glasses:

- Hold the glasses by the frame.
- Place the glasses gently on your face, ensuring that they sit comfortably on your nose and ears.
- Adjust the arms of the glasses for a secure fit without causing discomfort.

2. Cleaning the Lenses:

- Use a soft, lintfree cloth to clean the lenses. Avoid using abrasive materials that could scratch the surface.
- If necessary, use a mild soap solution and water to remove stubborn dirt. Rinse thoroughly and dry with a soft cloth.

3. Storage:

- Store the glasses in a protective case when not in use to prevent damage.
- Keep the glasses in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the glasses responsibly. Do not throw them in regular household waste.
- Check local regulations for proper disposal methods of plastic products.

- If the glasses are damaged beyond repair, consider recycling the materials if possible.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or customer service channels. Ensure that you have the product details ready when seeking support.

By following these guidelines, you can ensure the safe and effective use of your WrapAround Sport Shooting Glasses. Thank you for prioritizing safety and performance in your eyewear choices.
