CRUSH WASHER 5/8" Safety Instructions

Introduction

Thank you for choosing the CRUSH WASHER 5/8" by CMMG. This guide provides important safety instructions and guidelines to ensure the safe use and handling of this product. Please read all instructions carefully before using the product.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the crush washer for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Use the crush washer only in applications for which it is designed.
- Ensure that the crush washer is installed correctly to prevent leaks or failures.
- Avoid exposure to extreme temperatures or harsh chemicals that may compromise the material integrity of the washer.
- Do not attempt to modify or alter the crush washer in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure that all tools required for installation are available.
- Clean the surface where the crush washer will be installed to ensure a secure fit.

2. Installation:

- Place the crush washer over the designated area.
- Ensure that it is seated properly and evenly.
- Tighten any fittings or components according to the manufacturer's specifications.

3. Usage:

- Monitor the crush washer during use for any signs of wear or failure.
- If any leaks or issues arise, stop using the product immediately and inspect for damage.

Disposal Instructions

- Dispose of the crush washer in accordance with local regulations for nonhazardous materials.
- Do not dispose of the crush washer in regular household waste if it is contaminated with hazardous substances.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries or concerns regarding the CRUSH WASHER 5/8", please refer to the manufacturer's contact details provided on the packaging or product insert.

Thank you for your attention to these safety instructions. Your safety is our priority.
