Safety Instruction Guide for AR15 Pistol Grip Screw

Introduction

Thank you for choosing the AR15 Pistol Grip Screw manufactured by CMMG. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of this product. Please read this manual carefully before using the product.

General Safety Guidelines

- Always handle the AR15 Pistol Grip Screw with care to avoid injury.
- Ensure that the screw is compatible with your specific AR15 model.
- Store the screw in a dry, cool place, away from children and pets.
- Inspect the screw regularly for any signs of wear or damage.
- If you notice any defects or concerns, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Use only the recommended tools for installation to prevent damage.
- Do not exceed the recommended torque specifications during installation.
- Avoid using the screw in any manner other than its intended purpose.
- Keep hands and fingers clear of moving parts during installation.
- Wear safety glasses when working with tools to protect your eyes.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools: a screwdriver and any other recommended tools specific to your AR15 model.
- Ensure that your workspace is clean and free of distractions.

2. Installation Steps

- Locate the grip area on your AR15 where the screw will be installed.
- Align the Pistol Grip Screw with the designated hole.
- Using the screwdriver, insert the screw into the hole and turn it clockwise.
- Tighten the screw until it is secure, but do not overtighten to avoid stripping the threads.
- Check the grip for stability to ensure proper installation.

3. Usage

- Once installed, ensure that the grip is securely attached before using the firearm.
- Regularly check the screw for tightness and security, especially after extended use.

Disposal Instructions

- Dispose of any damaged or unused screws in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling if facilities are available in your area.
