Safety Instruction Guide for AR15 Pivot Pin Detent Spring

Introduction

Thank you for choosing the AR15 Pivot Pin Detent Spring manufactured by CMMG. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- If you suspect that the product is unsafe or defective, discontinue use immediately.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Handle the spring with care to avoid injury from sharp edges or potential recoil.
- Always wear appropriate safety gear, including protective eyewear, when working with firearm components.
- Ensure that the firearm is unloaded before attempting to install or replace the pivot pin detent spring.
- Do not use excessive force during installation to prevent damage to the spring or firearm.
- Follow all manufacturer instructions related to the firearm to ensure compatibility and safe use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment before starting the installation.
- Ensure that you are working in a clean, welllit area.

2. Installation Steps:

- Ensure that the firearm is completely unloaded and the chamber is clear.
- Locate the pivot pin area on your AR15.
- Carefully remove the existing pivot pin detent spring, if applicable.
- Align the new AR15 Pivot Pin Detent Spring with the pivot pin hole.
- Gently press the spring into place, ensuring that it is seated properly.
- Reinstall the pivot pin, ensuring it is secured and functions correctly.

3. PostInstallation Check:

- After installation, perform a function check of the firearm to ensure that the pivot pin operates correctly.
- Inspect the installation area for any loose parts or debris.

Disposal Instructions

- Dispose of any old or damaged springs and components responsibly.
- Follow local regulations for the disposal of firearm components and materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact details provided with your product packaging. Ensure that you have the product name and model number ready when seeking support.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and handling of this product.
