AR15 Handguard Slip Ring Safety Instructions

Introduction

Thank you for choosing the AR15 Handguard Slip Ring by CMMG. This guide provides important safety instructions and guidelines for the safe use and installation of the product. Please read this manual carefully to ensure proper handling and maintenance.

General Safety Guidelines

- Ensure that the product is suitable for your specific AR15 model before installation.
- Always handle the product with care to avoid injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects, discontinue use immediately and report them to the appropriate authorities.
- Familiarize yourself with the product's features and functionalities before use.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling the firearm.
- Do not attempt to install or remove the slip ring while the firearm is loaded.
- Ensure the firearm is pointed in a safe direction during installation and usage.
- Avoid using excessive force during installation to prevent damage to the product or firearm.
- Do not modify the slip ring or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and safe to handle.
- Gather all necessary tools for installation.

2. Installation Steps

- Remove the existing handguard from your AR15 following the manufacturer's instructions.
- Align the new AR15 Handguard Slip Ring with the handguard assembly.
- Carefully slide the slip ring into position, ensuring it fits securely.
- If applicable, use the appropriate tools to tighten the slip ring, ensuring it is snug but not overtightened.
- Reattach the handguard to the firearm, ensuring all components are secure and properly aligned.

3. Usage

- Once installed, regularly check the slip ring for tightness and stability.
- Clean the slip ring as needed to maintain optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearms accessories.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please contact the designated EUbased contact point or the relevant authorities in your area.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use and maintenance of this product.
