CRUSH WASHER 1/2" CMMG Safety Instructions

Introduction

Thank you for choosing the CRUSH WASHER 1/2" by CMMG. This product is designed to provide reliable performance in various applications. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always inspect the product for any visible damage before use.
- Ensure that the crush washer is compatible with the intended application.
- Store the crush washer in a dry and cool environment to prevent deterioration.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the crush washer is installed correctly to prevent leaks or failures.
- Do not exceed the recommended torque specifications during installation.
- Avoid using the crush washer with incompatible materials or fluids.
- Wear appropriate personal protective equipment (PPE) when handling or installing the product.
- In case of any signs of wear or damage, discontinue use immediately and replace the washer.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure the work area is clean and free of hazards.

2. Installation Steps:

- Identify the appropriate location for the crush washer.
- Clean the surfaces where the washer will be installed to ensure a proper seal.
- Place the crush washer in the designated area, ensuring it sits flat without any twists or bends.
- Tighten the connection using the appropriate tool, adhering to the manufacturer's torque specifications.

3. PostInstallation Check:

- After installation, check for any signs of leakage or misalignment.
- Test the assembly under operational conditions to ensure proper function.

Disposal Instructions

- Dispose of the crush washer in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If applicable, recycle the product to minimize environmental impact.

Contact Information for Further Support

For safety inquiries, product information, or assistance, please reach out to the designated EU contact point provided with the product packaging or documentation.

By following these safety instructions, you can ensure the safe and effective use of the CRUSH WASHER 1/2" CMMG. Thank you for prioritizing safety in your operations.
