PARTNER RELOADING KIT 2 Safety Instruction Guide

Introduction

Thank you for choosing the PARTNER RELOADING KIT 2 by RCBS. This guide provides essential safety instructions to ensure the safe use of your reloading kit. Please read this guide thoroughly before using the product and keep it for future reference.

General Safety Guidelines

- Always read and understand the instructions before using the reloading kit.
- Ensure you are familiar with the reloading process and its associated risks.
- Keep the reloading kit out of reach of children and unauthorized users.
- Use the reloading kit in a wellventilated area to avoid inhaling any dust or fumes.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling materials.
- Do not use the reloading kit for any purpose other than intended.
- Regularly check the equipment for wear and tear or any signs of damage before each use.
- Store all components in a dry, secure location to prevent unauthorized access and environmental damage.

Specific Safety Precautions for Use

- **Press Operation:**
 - Ensure the press is securely mounted before use to prevent accidents.
 - Avoid placing hands near moving parts during operation.
- **Scale Usage:**
 - Calibrate the digital pocket scale before each use to ensure accurate measurements.
 - Do not overload the scale beyond its specified capacity (1,500 grains).
- **Handling Powders:**
 - Store powders in their original containers and keep them tightly sealed.
 - Avoid direct exposure to skin and inhalation of powder dust.
- **Cleaning and Maintenance:**
 - Use designated cleaning tools and methods to maintain the reloading kit.
 - Dispose of any waste materials according to local regulations.

Instructions for Installation and Usage

1. Setting Up the Press:

- Choose a stable, flat surface for installation.
- Securely mount the press using the provided hardware.
- Ensure all components are tightly fastened before use.

2. Using the Digital Pocket Scale:

- Turn on the scale and allow it to calibrate.
- Place the item to be weighed on the scale's platform.
- Wait for the reading to stabilize before recording the weight.

3. Reloading Process:

- Follow the Speer #15 manual for detailed reloading instructions.
- Use the accessory handle and brushes to clean primer pockets and case necks.
- Use the powder funnel to ensure accurate powder measurements when filling cartridges.

4. Final Checks:

- Inspect each reloaded cartridge for consistency and quality.
- Store completed cartridges in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or expired components in accordance with local regulations.
- Do not dispose of hazardous materials in regular waste; consult local waste management guidelines for proper disposal methods.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact details provided with the product packaging. Always ensure you have the product information available when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your PARTNER RELOADING KIT 2. Thank you for prioritizing safety in your reloading activities.
