Safety Instruction Guide for SHOTGUN CLEANING KIT WITH BRASS CLEANING ROD

Introduction

Thank you for choosing the SHOTGUN CLEANING KIT WITH BRASS CLEANING ROD by OUTERS. This product is designed to help you maintain your shotgun safely and effectively. Please read this safety instruction guide carefully to ensure proper use and to avoid any potential hazards.

General Safety Guidelines

- Always use the cleaning kit in a wellventilated area.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect all components for damage before use. Do not use damaged parts.
- Store the kit in its clamshell packaging when not in use to prevent loss and damage.
- Follow all local laws and regulations regarding firearm maintenance.

Specific Safety Precautions for Use

- Ensure the shotgun is unloaded before cleaning.
- Avoid contact with the bore brush and cleaning rod ends when not in use to prevent injury.
- Use the microfiber absorbent patches as directed to avoid excessive wear on the shotgun's interior.
- Do not use the cleaning kit for any purpose other than intended.
- If you experience any irritation from cleaning solvents, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Gather all components of the cleaning kit: brass cleaning rod, bore brush, slotted patch loop, rod adaptor, and microfiber patches.

2. Assembly:

- Attach the brass cleaning rod to the rod adaptor.
- Connect the bore brush to the end of the cleaning rod.
- If using a patch, insert the microfiber absorbent patch into the slotted patch loop.

3. Cleaning Process:

- Insert the bore brush into the shotgun's barrel and push through to clean. Repeat as necessary.
- For patch cleaning, moisten the microfiber patch with a suitable cleaning solvent. Insert it into the slotted patch loop and run it through the barrel.
- Ensure all residue is removed, and the barrel is clean before reassembling the shotgun.

4. PostCleaning:

- Inspect the shotgun to ensure it is free of cleaning materials.
- Store the cleaning kit in its clamshell packaging after use.

Disposal Instructions

- Dispose of any used microfiber patches and cleaning materials in accordance with local waste disposal regulations.
- Do not dispose of cleaning solvents in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or to report a product issue, please contact the manufacturer directly. Ensure you provide details about the product and the nature of your inquiry.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using your SHOTGUN CLEANING KIT WITH BRASS CLEANING ROD responsibly.
