PISTOL CLEANING KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Pistol Cleaning Kit with Aluminum Cleaning Rod. This kit is designed to help you maintain your handgun safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Always use the cleaning kit in a wellventilated area.
- Keep the cleaning kit out of reach of children and pets.
- Do not use the cleaning kit for any purpose other than its intended use.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.
- Inspect all components of the cleaning kit before use. Do not use any damaged parts.
- Store the cleaning kit in a safe, dry place when not in use.

Specific Safety Precautions for Use

- Always ensure that your handgun is unloaded before cleaning.
- Wear safety glasses to protect your eyes from solvents and debris.
- Use gloves to protect your skin from chemicals in the cleaning agents.
- Avoid inhaling fumes from gun cleaners and solvents. Use in a wellventilated area.
- Do not mix different cleaning products, as this may cause harmful reactions.
- Dispose of used patches and cleaning materials according to local regulations.

Instructions for Installation and Usage

1. Preparation

- Ensure your handgun is unloaded and pointed in a safe direction.
- Gather all components of the cleaning kit: lightweight cleaning rod, bore brush, wool blend mop, slotted patch loop, spear pointed jag, microfiber absorbent patches, nitro solvent gun cleaner (2ounce bottle), and gun oil (2ounce bottle).

2. Cleaning Process

- Attach the appropriate cleaning accessory to the cleaning rod based on your cleaning needs (e.g., bore brush for initial cleaning, mop for final cleaning).
- Apply a small amount of nitro solvent gun cleaner to the bore brush or patch.
- Insert the cleaning rod into the barrel and move it back and forth to clean the bore.
- Use the wool blend mop to remove any remaining solvent and debris.
- Wipe down the exterior of the handgun with a microfiber absorbent patch and gun oil for protection.
- Ensure all cleaning materials are properly disposed of after use.

3. Storage

- After cleaning, ensure all components are dry and free of solvent.
- Store the cleaning kit in its designated case or container to prevent damage and contamination.

Disposal Instructions

- Dispose of any unused or expired cleaning products in accordance with local hazardous waste disposal regulations.
- Used patches and materials should be disposed of in a sealed bag to prevent spills.
- Do not pour cleaning agents down the drain or in regular trash.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the product packaging for contact details of the manufacturer or the relevant EUbased contact point.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Pistol Cleaning Kit. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important guidelines.
