APEX 10/EVOLUTION PRESS CALIBER CONVERSION KIT MARK 7 RELOADING

Introduction

Thank you for choosing the APEX 10/ Evolution Press Caliber Conversion Kit Mark 7. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your reloading kit. Please read this document thoroughly before using the product.

General Safety Guidelines

- Ensure compliance with all local laws and regulations regarding ammunition reloading and usage.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store all components securely and out of reach of children and pets.
- Do not use the reloading kit for any purpose other than intended.
- Regularly inspect the equipment for any signs of wear or damage before use.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** This kit is designed for .308 Winchester and 6.5 Creedmoor cartridges. Ensure you are using the correct cartridge type.
- **Handling Components:** Handle all components with care to avoid injury. Sharp edges may be present on some parts.
- **Case Feed Ram and Adapter:** Ensure the case feed ram and adapter are properly installed before use to prevent malfunction.
- **Priming and Powder Funnels:** These components are sold separately. Ensure you have the correct parts for your specific needs.
- **Avoid Overloading:** Do not overload the machine beyond its specifications, as this may lead to equipment failure or accidents.
- **Electrical Safety:** If your setup includes electrical components, ensure all connections are secure and free of moisture.

Instructions for Installation and Usage

1. Preparation:

- Read the manufacturer's instructions thoroughly.
- Gather all necessary tools and components.

2. Installation:

- Place the reloading press on a stable, flat surface.
- Attach the shellplate securely to the press.
- Install the case feed ram and case feed adapter according to the manufacturer's instructions.
- Ensure all components are tightly secured before proceeding.

3. Usage:

- Set the press to the correct settings for the cartridge you are reloading.
- Load the appropriate components into the press.
- Follow the reloading procedures carefully, ensuring each step is completed before moving to the

next.

- Monitor the reloading process closely for any irregularities or issues.

4. PostUse:

- Clean the equipment after each use to prevent residue buildup.
- Store all components in a dry, secure location.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of hazardous materials in regular waste.

Contact Information for Further Support

For any questions regarding safety, usage, or installation, please refer to the manufacturer's contact information provided with your product or visit their official website for additional resources.

Thank you for your attention to these safety instructions. Your safety is our priority, and adhering to these guidelines will help ensure a safe and enjoyable reloading experience.
