

# S&W J-FRAME 320 BOOT GRIPS - VZ GRIPS S&W J-FRAME 320 BOOT, BLACK GRAY

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The VZ 320 is the smoothest grip they produce in their vast line of grips and do not incorporate any finger grooves. Minute mill marks are left behind from the CNC machines and are left unpolished. This gives the grip just a hint of texture, which makes for a very comfortable grip. They are visually appealing as well. Since there really isn't any pronounced texture, you can see the bold layers of color in the laminates we use. T-15 Screw Included.

## Attributes

- Name: [VZ GRIPS S&W J-FRAME 320 BOOT, BLACK GRAY](#)
- Manufacturer: [VZ GRIPS](#)

# S&W JFRAME 320 BOOT GRIPS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the S&W JFRAME 320 BOOT GRIPS by VZ GRIPS. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to ensure proper use and maintenance of your grips.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the grips.
- Keep the grips away from children and unauthorized users.
- Regularly inspect the grips for wear or damage.
- Store the grips in a safe and dry place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not use the grips if they show signs of damage or excessive wear.
- Ensure that the grips are properly installed and secured before use.
- Avoid using the grips in extreme temperatures or conditions that may affect their performance.
- Be aware of the grip's texture and ensure that it is suitable for your shooting style.
- Do not attempt to modify or alter the grips in any way.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded.
- Remove the existing grips from the firearm by unscrewing the T15 screws.
- Position the S&W JFRAME 320 BOOT GRIPS onto the firearm.
- Secure the grips using the provided T15 screws, ensuring they are tightened adequately but not overtightened.

### 2. Usage:

- Hold the firearm with both hands, ensuring a firm grip on the newly installed grips.
- Practice proper shooting stance and hand positioning to maximize comfort and control.
- After use, clean the grips with a soft cloth to remove any debris or moisture.

## Disposal Instructions

- Dispose of any damaged grips responsibly in accordance with local waste disposal regulations.
- Do not incinerate the grips as they may release harmful substances.

## Contact Information for Further Support

For inquiries regarding safety or product concerns, please reach out to your local authorized dealer or manufacturer's representative. Ensure to have your product details ready for a more efficient response.

By following these safety instructions, you can enjoy the benefits of your S&W JFRAME 320 BOOT GRIPS while ensuring your safety and that of others. Thank you for your attention to these important safety guidelines.
