# STORM SINGLE POINT SLING BLACKHAWK STORM SINGLE POINT QD SLING BLACK Safety Instructions

## Introduction

Thank you for choosing the STORM SINGLE POINT SLING by BLACKHAWK. This safety instruction guide is designed to help you use this product safely and effectively. Please read this document carefully to understand the safety precautions, installation instructions, and how to dispose of the product responsibly.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general guidelines:

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that the sling is used only for its intended purpose.
- Keep the sling away from sharp objects and extreme heat.
- Do not exceed the recommended weight limit for the sling.
- Store the sling in a cool, dry place when not in use.
- Be aware of your surroundings when using the sling to avoid accidents.

## Specific Safety Precautions for Use

When using the STORM SINGLE POINT SLING, please consider the following safety precautions:

- Ensure that the sling is securely attached to your equipment before use.
- Adjust the sling length to fit your body properly, ensuring comfort and stability.
- Avoid using the sling in situations where it could snag or get caught on objects.
- Do not allow children to use the sling without adult supervision.
- If you experience any discomfort or difficulty while using the sling, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the STORM SINGLE POINT SLING:

### 1. Installation:

- Locate the attachment points on your equipment (e.g., firearm, bag).
- Attach the sling's quick disconnect (QD) mechanism securely to the attachment points.
- Ensure that the sling is properly threaded through any necessary loops or connectors.

### 2. Adjustment:

- Pull on the adjustment strap to increase or decrease the length of the sling.
- Ensure that the sling is snug against your body but does not restrict movement.
- Test the adjustment by moving around to ensure comfort and stability.

### 3. Usage:

- When using the sling, maintain a firm grip on your equipment.
- Be aware of your surroundings and ensure that the sling does not obstruct your movement.
- Regularly check the sling during use to ensure it remains secure and functional.

## **Disposal Instructions**

When it comes time to dispose of the STORM SINGLE POINT SLING, please follow these guidelines:

- Do not dispose of the sling in regular household waste.
- Check for local recycling programs that accept nylon products.
- If recycling is not an option, dispose of the sling in accordance with local regulations for textile waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the STORM SINGLE POINT SLING, please refer to the product packaging or visit the manufacturer's website for more information. It is important to have a point of contact for safety inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your STORM SINGLE POINT SLING. Thank you for your attention to safety, and enjoy your product!
