

# KINGSLAYER MICRO REFLEX SIGHT - SWAMPFOX OPTICS 3 MOA DOT/65 MOA RED CIRCLE DOT MICRO REFLEX SIGHT

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Kingslayer is a super compact open reflex dot sight allowing you to quickly acquire a sight picture with both eyes open while focusing on the target. For pistol slide platforms, remove the included 1913 Picatinny mount and use the RMR-compatible footprint underneath. With the Picatinny mount installed, Kingslayer works great on rifle and shotgun applications. Kingslayer is waterproof, fog resistant and features a scratch resistant, anti-glare lens multicoating. Built like a tank, Kingslayer will maintain its zero on reciprocating pistol slides, 12 gauge shotguns and even .308 battle rifles. Choose from 3 MOA red dot, red circle dot, or green circle dot reticles. RMR Footprint Side Battery Tray Waterproof & Shockproof

## Attributes

# Safety Instruction Guide for KINGSLAYER MICRO REFLEX SIGHT

## Introduction

Thank you for choosing the KINGSLAYER MICRO REFLEX SIGHT from Swampfox Optics. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your reflex sight. Please read this document carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Kingslayer Micro Reflex Sight by following all instructions provided in this guide. The sight is designed for use on firearms and should be handled with care.
- **Enhanced Recalls:** In the event of any safety concerns, recall notices will be issued. Please stay informed about product recalls through official channels.
- **Online Shopping:** If you purchased this product online, ensure that the retailer complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored in a safe place out of reach of minors.
- **EU Contact Point:** For safety inquiries, please reach out to your local distributor or retailer.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Eye Damage:** Do not look directly into the sight when it is not mounted on a firearm. This can cause eye strain or damage.
- **Check Mounting:** Ensure the sight is securely mounted before use. A loose sight can affect accuracy and safety.
- **Use with Appropriate Firearms:** The Kingslayer is designed for use with pistol slide platforms, rifles, and shotguns. Ensure compatibility before use.
- **Battery Safety:** Use only the specified (1) CR 1632 Lithium Battery. Improper battery use can lead to malfunction or damage.
- **Environmental Considerations:** Avoid exposing the sight to extreme temperatures, moisture, or harsh chemicals that may damage the unit.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the included 1913 Picatinny mount if using the RMRcompatible footprint.
- Ensure the mounting surface is clean and free of obstructions.
- Securely attach the sight to the firearm using the appropriate mount.
- Tighten all screws to the manufacturer's specifications to prevent loosening during use.

### 2. Usage:

- Before aiming, ensure the firearm is unloaded and pointed in a safe direction.
- With both eyes open, look through the sight to acquire the target.
- Adjust the brightness settings as necessary for optimal visibility.
- Practice using the sight in a safe environment to become familiar with its operation.

### 3. Maintenance:

- Regularly check the sight for any signs of wear or damage.
- Clean the lens with a soft, lintfree cloth to maintain clarity.
- Store the sight in a protective case when not in use.

## Disposal Instructions

- **Battery Disposal:** Dispose of the used CR 1632 Lithium Battery in accordance with local regulations regarding battery disposal.
- **Product Disposal:** When the sight has reached the end of its life, follow local regulations for the disposal of electronic products. Do not dispose of in regular household waste.

## Contact Information for Further Support

For further assistance or safety inquiries, please contact your local distributor or retailer. It is important to ensure that you receive support from authorized sources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your KINGSLEYER MICRO REFLEX SIGHT. Always prioritize safety and responsible usage when handling firearms and optical devices.
