

# KINGSLAYER MICRO REFLEX SIGHT - SWAMPFOX OPTICS 3 MOA DOT/65 MOA GREEN CIRCLE DOT MICRO REFLEX SIGHT

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

Kingslayer is a super compact open reflex dot sight allowing you to quickly acquire a sight picture with both eyes open while focusing on the target. For pistol slide platforms, remove the included 1913 Picatinny mount and use the RMR-compatible footprint underneath. With the Picatinny mount installed, Kingslayer works great on rifle and shotgun applications. Kingslayer is waterproof, fog resistant and features a scratch resistant, anti-glare lens multicoating. Built like a tank, Kingslayer will maintain its zero on reciprocating pistol slides, 12 gauge shotguns and even .308 battle rifles. Choose from 3 MOA red dot, red circle dot, or green circle dot reticles. RMR Footprint Side Battery Tray Waterproof & Shockproof

## Attributes

- Name: [SWAMPFOX OPTICS 3 MOA DOT/65 MOA GREEN CIRCLE DOT MICRO REFLEX SIGHT](#)
- Manufacturer: [SWAMPFOX OPTICS](#)
- Product no.: 100047469
- Mfr. No.: OKS00122-GC
- Battery Life: 1500 hours
- Brightness Settings: 10 settings
- Finish: Black
- Power Supply: (1) CR 1632 Lithium Battery
- Reticle: Green Circle Dot
- Weight: 1.3 oz
- Delivery weight: 0.293kg
- Shipping height: 89mm
- Shipping width: 102mm
- Shipping length: 127mm
- UPC: 889157000909

## Item details

US export classification: 0A504.c

# KINGSLAYER MICRO REFLEX SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Kingslayer Micro Reflex Sight by Swampfox Optics. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the sight.

## General Safety Guidelines

- Ensure that the Kingslayer Micro Reflex Sight is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the sight out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of damage or malfunction.
- If you notice any irregularities, discontinue use immediately and contact customer support.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with the Kingslayer sight.
- **Environmental Conditions:** Do not expose the sight to extreme temperatures or humidity beyond the specified limits.
- **Battery Handling:**
  - Use only a CR 1632 Lithium Battery as specified.
  - Do not attempt to recharge nonrechargeable batteries.
  - Dispose of batteries according to local regulations.
- **Mounting:** Ensure that the sight is securely mounted on the firearm to prevent it from loosening during use.
- **Zeroing the Sight:** Properly zero the sight before use to ensure accuracy.
- **Cleaning:** Use a soft, dry cloth to clean the lens; avoid using harsh chemicals or abrasive materials.

## Instructions for Installation and Usage

### Installation

1. **Remove the Picatinny Mount:** If using on a pistol slide, detach the included 1913 Picatinny mount.
2. **Attach to Firearm:**
  - For RMRcompatible platforms, align the sight with the mounting holes and secure it using the provided screws.
  - For rifle or shotgun applications, attach the Picatinny mount and secure it firmly.
3. **Battery Installation:**
  - Open the side battery tray.
  - Insert the CR 1632 Lithium Battery with the positive side facing up.
  - Close the battery tray securely.

### Usage

- **Turning On/Off:** Press the designated button to turn the sight on or off.
- **Brightness Adjustment:** Use the brightness settings to adjust the reticle visibility according to your environment. There are 10 settings available.
- **Reticle Selection:** Choose from the available reticle options: 3 MOA red dot, red circle dot, or green

circle dot.

- **Sight Picture:** Always ensure a clear sight picture before taking a shot. Maintain both eyes open for better target acquisition.

## Disposal Instructions

- **Product Disposal:** Dispose of the Kingslayer Micro Reflex Sight in accordance with local electronic waste regulations.
- **Battery Disposal:** Batteries should be disposed of at designated recycling centers to prevent environmental contamination.

## Contact Information for Further Support

For any inquiries regarding safety, product performance, or support, please refer to the manufacturer's contact details provided with your product documentation.

Thank you for prioritizing safety while using the Kingslayer Micro Reflex Sight. Enjoy your shooting experience responsibly!
