Safety Instruction Guide for ARROWHEAD 16X24MM SFP ILLUMINATED RIFLE SCOPE

Introduction

Thank you for choosing the Swampfox Arrowhead 16X24mm SFP Illuminated Rifle Scope. This product is designed for serious law enforcement and selfdefense applications. To ensure your safety and the effective use of this rifle scope, please read and follow the safety guidelines outlined in this manual.

General Safety Guidelines

- Always handle the rifle scope with care to avoid damage.
- Ensure that the rifle scope is mounted securely to prevent any accidents during use.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of rifle scopes and firearms.

Specific Safety Precautions for Use

- Never look directly at the sun through the rifle scope as this may cause permanent eye damage.
- Use the rifle scope only for its intended purpose; do not modify or alter the scope in any way.
- Ensure that the reticle is properly illuminated before use in lowlight conditions.
- Always check the eye relief distance before aiming to avoid injury from recoil.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Select a mounting location on your firearm that is compatible with a 30mm tube size.
- Securely attach the rifle scope to the mounting base using the provided locking turrets. No tools are required.
- Verify that the scope is level and aligned with the barrel of the firearm.

2. Usage:

- Adjust the magnification by rotating the magnification ring to your desired level (1x to 6x).
- Use the throw lever to quickly change magnification settings.
- To illuminate the reticle, press the illumination button located on the side of the scope. Select from the available settings, including two night vision (NV) options.
- Utilize the Guerrilla Dot BDC Red reticle for accurate aiming.

3. Maintenance:

- Clean the lens with a soft, lintfree cloth to remove dirt and smudges.
- Store the rifle scope in a cool, dry place when not in use.
- Replace the CR2032 battery as needed to ensure the illumination function is operational.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it at a designated battery recycling location.

- Do not dispose of the rifle scope in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please contact the manufacturer or your retailer. Ensure that you have the model number (Arrowhead) and relevant details at hand for quick assistance.

By following these guidelines, you can ensure safe and effective use of your Swampfox Arrowhead 16X24mm SFP Illuminated Rifle Scope. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
