# Safety Instruction Guide for Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope

## Introduction

Thank you for choosing the Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle the rifle scope with care to avoid damage.
- Ensure that the rifle scope is mounted securely to prevent accidents during use.
- Keep the rifle scope out of reach of children and unauthorized users.
- Use the rifle scope only for its intended purpose; misuse can lead to serious injury.
- Regularly inspect the rifle scope for any signs of wear or damage.
- In case of any malfunction, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using the rifle scope.
- **Stability:** Ensure that the firearm is stable and secure before aiming and firing.
- **Environment:** Use the rifle scope in a safe and controlled environment, away from populated areas.
- **Lighting Conditions:** Be aware of the lighting conditions; the illuminated reticle is designed for lowlight situations but may not be suitable for all environments.
- **Personal Safety:** Always be aware of your surroundings and ensure that you have a clear line of sight before firing.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Scope:

- Select a suitable mounting platform on your firearm.
- Securely attach the scope rings to the mounting base.
- Place the rifle scope into the rings and tighten them according to the manufacturer's specifications.
- Ensure the scope is level and properly aligned with the firearm.

#### 2. Adjusting the Scope:

- Use the locking turrets to make adjustments to windage and elevation as needed.
- Confirm that the adjustments are secure to prevent unintentional changes.

### Usage

- **Adjusting Magnification:** Rotate the magnification ring to set the desired level of zoom, from 1x to 6x.
- **Illumination Settings:** Activate the illuminated reticle using the provided controls. Adjust brightness according to the ambient light conditions.
- **Eye Relief:** Maintain a proper eye relief distance (3.54" to 3.39") to prevent injury from recoil.
- **Cleaning and Maintenance:** Regularly clean the lenses with a soft, dry cloth. Avoid using harsh chemicals that may damage the lens coating.

## **Disposal Instructions**

- Dispose of the rifle scope in accordance with local regulations.
- If the scope contains batteries, ensure that they are disposed of properly as per local battery disposal guidelines.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the Swampfox Arrowhead 16X24MM SFP Illuminated Rifle Scope, please refer to the manufacturer's website or contact their customer service.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Swampfox Arrowhead Rifle Scope. Always prioritize safety and responsible usage.
