# Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope Safety Instruction Guide

## Introduction

Thank you for choosing the Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your rifle scope. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a rifle scope.
- Always handle the rifle scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

- **Locking Turrets:** Ensure that the locking turrets are properly engaged to prevent unintentional adjustments during use.
- **Illumination Settings:** Use the illuminated reticle with caution, especially in lowlight conditions. Avoid looking directly into bright light sources while the illumination is active.
- **Eye Relief:** Maintain a safe distance of 3.54 inches to 3.46 inches from the eyepiece to prevent injury from recoil.
- **Installation:** Ensure the scope is securely mounted to the firearm before use. A loose scope can lead to inaccurate shooting or accidents.
- **Battery Safety:** Use only the specified CR2032 battery. Do not attempt to recharge nonrechargeable batteries. Dispose of batteries according to local regulations.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before installing the scope.
- Select a suitable mounting location on the rifle.
- Securely attach the scope using appropriate mounting rings and tools.
- Check that the scope is level and aligned with the barrel of the firearm.

### 2. Usage:

- Adjust the magnification by turning the magnification ring to your desired level (1x to 10x).
- Use the throw lever to quickly change magnification settings as needed.
- To adjust the turrets, unlock them by turning counterclockwise, make your adjustments, and then lock them back in place.
- Use the illuminated reticle by pressing the illumination button. Adjust the brightness according to your preference.
- Always check your target and surroundings before firing.

## Disposal Instructions

- Dispose of the rifle scope and its components in accordance with local waste disposal regulations.
- Remove the battery before disposal and recycle it according to local battery recycling guidelines.

- Do not dispose of electronic devices in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the Swampfox Arrowhead rifle scope, please contact the manufacturer or your local retailer for assistance. Ensure that you have the model number and any relevant purchase information available for reference.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Swampfox Arrowhead 110X24 SFP Illuminated Rifle Scope. Always prioritize safety and adhere to local laws while using your firearm and its accessories. Thank you for your attention to these important safety measures.
