

HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT RINGS - SWAMPFOX OPTICS 30MM EXTRA HIGH 1.93" ALUMINUM PICATINNY OFFSET RINGS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Swampfox Hostile Engagement Rings are the rock solid, easy way to mount any RMR cut reflex red dot sight as a low profile secondary optic to your main rifle scope. No adapters, no hassles, just RMR footprint mounts at a 45-degree angle on each side of every Hostile Engagement ring. Precise, matched pairs of our rings are made from 7075 aluminum and hardcoat oxidized, just like the upper and lower receivers on your AR-15. Hostile Engagement Rings make it easy and affordable to mount a 45-degree offset dot sight on your rifle. Pricing for 1 paired set.

Safety Instruction Guide for HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT RINGS

Introduction

Thank you for choosing the HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT RINGS by Swampfox Optics. This product is designed to provide a reliable and easy way to mount your reflex red dot sight. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Keep this product out of reach of children and vulnerable individuals.
- Follow all instructions provided in this guide to minimize risks and hazards.
- In case of any malfunction, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mounting surface is clean and free from debris before installation.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for the mounted sight.
- **Secure Fastening:** Always doublecheck that all screws and fasteners are securely tightened before use.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may impair functionality.
- **Proper Handling:** Handle the product with care to avoid dropping or damaging it.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench if required.
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Installation:

- Locate the Picatinny rail on your rifle where you intend to mount the sight.
- Align the HOSTILE ENGAGEMENT rings with the rail, ensuring that the RMR footprint is facing upward.
- Securely fasten the rings to the rail using the provided screws. Use a torque wrench if specified by the manufacturer for proper tightening.

3. Mounting the Sight:

- Once the rings are securely installed, place your reflex red dot sight onto the rings.
- Adjust the sight to ensure proper alignment and visibility.
- Tighten the sight mounting screws to secure the sight in place.

4. Final Check:

- After installation, perform a visual inspection to ensure everything is properly secured.
- Test the mounted sight for functionality before using the rifle in a live environment.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and aluminum waste.
- Do not throw the product into regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT RINGS, please reach out to the manufacturer or the appropriate EU contact point.

By following these guidelines, you can ensure the safe and effective use of the HOSTILE ENGAGEMENT 45™ OFFSET REFLEX SIGHT MOUNT RINGS. Thank you for your attention to safety.
