

SIG SAUER P320 COMPACT VERSION 2 SLIDES - GREY GHOST PRECISION SIG SAUER P320 COMPACT SLIDE V2 BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

The adoption of the P320® platform by the U.S. Military, as well as many Law Enforcement agencies, professional lead farmers, competition shooters, and firearm instructors led to the development of a new line of GGP aftermarket slides. After all, the P320's ability to be custom tailored to the individual user's preferences in grip length, grip size, as well as slide length and sight radius are all highly desirable features. Why stop there, when you can have even more customization options when upgrading to a drop-in GGP320 slide. Just like our GGP17/19 and SPG43 slides, these GGP320 slides offers enhanced aesthetic features, increased grip serrations and an improved coating without compromising function. We also took our hybrid MRDS optic cut and added a third option, the SIG ROMEO1. Now you have to option to use a ROMEO1 as well as a Trijicon RMR or Leupold DeltaPoint Pro right out of the box without using bulky adapter plates that only raise the optic further above the bore axis. Available in Grey or Black DLC finish for corrosive and abrasion resistance, the GGP320 will also be available in FDE Cerakote. The GGP320 is a drop-in install that comes with all the enhancements that professional handgun shooters have come to expect from Grey Ghost Precision. GGP320 SLIDE FEATURES: STRIPPED SLIDE MACHINED FROM 416 STAINLESS STEEL FOR TIGHTER-THAN-FACTORY-TOLERANCES AVAILABLE IN BLACK AND GREY DLC (DIAMOND LIKE COATING) OR FDE CERAKOTE 9MM COMPATIBLE ONLY OPTIC CUT COMPATIBLE WITH LEUPOLD DPP, TRIJICON RMR AND SIG ROMEO1 AND ROMEO1PRO (IF THE SLIDE WAS MADE AFTER JANUARY 1ST 2021) AND SUPPLIED SCREWS/SHIM PLATES Not Compatible with Vortex or Aimpoint Optics INCLUDES G10 COVER PLATE WHEN NOT RUNNING AN OPTIC VERSION 1 SLIDE PATTERN WITH AGGRESSIVE SERRATIONS AN WINDOW CUTS VERSION 2 SLIDE PATTERN WITH CHECKERED TEXTURING AND NO WINDOW CUTS COMPATIBLE WITH SIG P320® FULL-SIZE, X-FIVE*, COMPACT, CARRY AND X-CARRY GRIP MODULES *X-FIVE BARRELS ARE NOT COMPATIBLE WITH GGP320 SLIDES DUE TO ITS PROFILE. Safety Instruction Guide for SIG SAUER P320 Compact Version 2 Slides

Introduction

Thank you for choosing the SIG SAUER P320 Compact Version 2 Slides. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the firearm with care, treating it as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use only recommended ammunition as specified in the product description.
- Regularly inspect the slide and other firearm components for wear and damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to malfunction or injury.
 - Using incompatible optics may affect functionality.
 - Failure to use proper ammunition may cause damage or injury.
- **Instructions to Avoid Hazards:**
 - Only install the slide on compatible SIG P320® models (FullSize, XFive*, Compact, Carry, and XCarry).
 - Ensure the firearm is unloaded before installation.
 - Use the provided screws and shim plates for installation.
 - Do not use Vortex or Aimpoint optics with this slide.
 - Always wear appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure that your firearm is completely unloaded.
 - Gather necessary tools for installation, including a torque wrench if required.
2. **Installation Steps:**
 - Remove the existing slide from your SIG P320®.
 - Align the GGP320 slide with the frame and ensure it fits snugly.
 - Install the provided screws and shim plates to secure the slide in place.
 - Confirm that the slide operates smoothly by cycling it several times.
3. **Usage:**
 - Always check the functionality of the firearm after installation.
 - Familiarize yourself with the new slide features before use.
 - Regularly clean and maintain the slide to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the slide in regular household waste.
- Contact local recycling or hazardous waste facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please contact the manufacturer or authorized dealer directly. Ensure to have your product information ready for reference.

By following the guidelines and instructions in this document, you can ensure safe usage and maintenance of your SIG SAUER P320 Compact Version 2 Slides. Thank you for prioritizing safety in your firearm practices.
