

BORE-MAX SPEED JAG & PATCH COMBO - REAL AVID 6MM/243 CALIBER BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Bore-Max Speed Jag and Patches are components of the Bore-Max Speed Clean System for faster and easier bore cleaning. Within the bore, carbon and copper fouling build-up in layers over time and cumulatively have a significant impact on a firearms performance if left unchecked. The carbon build-up essentially insulates the copper fouling from the outside in. Carbon layers need to be removed mechanically with a bore brush in order to fully expose the copper layers beneath. Alternately, copper must be chemically dissolved in order to remove it from the bore, as a brush is ineffective at breaking loose these heat-melded deposits. Sized to account precisely for both the jag diameter and patch thickness this Speed Jag and Patch combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. The Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown to have superior absorbency over cotton. This material is better at absorbing fouling and spent solvent in the bore and is more effective at picking up and trapping crud.

Attributes

- Name: [REAL AVID 6MM/243 CALIBER BORE-MAX JAG & BORE-MAX SPEED PATCHES 25CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047684
- Mfr. No.: AVBMJAG243
- Caliber: 6mm,243 Caliber
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 70mm
- Shipping length: 171mm
- UPC: 813119013515

BOREMAX SPEED JAG & PATCH COMBO

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the BOREMAX SPEED JAG & PATCH COMBO by REAL AVID. This product is designed to enhance your firearm cleaning experience. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the BOREMAX SPEED JAG & PATCH COMBO as intended.
- Keep this product out of reach of children and vulnerable individuals.
- Ensure you are in a wellventilated area when using cleaning solvents.
- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water and seek medical advice.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Regularly check for wear and tear on the jags and patches. Replace them if damaged.

Specific Safety Precautions for Use

- Use the appropriate caliber for your firearm (6mm or .243 Caliber) to avoid damage.
- Do not force the jag or patch into the bore; apply gentle pressure to avoid obstruction.
- Ensure that the cleaning rod is properly secured to the jag before use.
- Always clean your firearm in accordance with the manufacturer's instructions.
- Use only the recommended cleaning solvents with the BOREMAX SPEED JAG & PATCH COMBO.
- Dispose of used patches and cleaning materials in accordance with local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including the BOREMAX SPEED JAG, SPEED PATCHES, and cleaning solvent.

2. Installation of Jag:

- Attach the BOREMAX SPEED JAG securely to the cleaning rod.
- Ensure the connection is tight to prevent the jag from detaching during use.

3. Using the Speed Patch:

- Take a SPEED PATCH and place it over the jag.
- Press the patch onto the jag to ensure a tight fit.

4. Cleaning Process:

- Apply the recommended cleaning solvent to the SPEED PATCH.
- Insert the jag with the patch into the bore of the firearm.
- Gently push the cleaning rod through the bore, allowing the patch to clean the interior surfaces.
- Pull the rod back out and repeat as necessary until the bore is clean.

5. PostCleaning:

- Remove the jag and patch from the cleaning rod.
- Dispose of the used patch properly.
- Wipe down the exterior of the firearm with a clean cloth.

Disposal Instructions

- Dispose of used patches and any cleaning solvents according to local waste disposal regulations.
- Do not dispose of in regular household waste if hazardous materials are involved.
- Check with local authorities or waste management services for specific disposal guidelines.

Contact Information for Further Support

- For safety inquiries or support, please contact the manufacturer's customer service, which can be found on the product packaging or the official website.

Thank you for following these safety guidelines. Enjoy your experience with the BOREMAX SPEED JAG & PATCH COMBO and ensure safe practices while maintaining your firearm.
