

# BORE-MAX SPEED JAG PATCH REFILL PACK - REAL AVID BORE-MAX SPEED JAG PATCH REFILL PACK 8" 250CT

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Patches](#)

Bore-Max Speed Jag Patches are a component of the Bore-Max Speed Clean System for faster and easier bore cleaning. Sized to account precisely for both the jag diameter and patch thickness this combo provides the optimal compression to thoroughly and consistently reach into the lands and grooves. Tight enough to provide superior compression within the bore while still remaining relatively easy to push through. Speed Jag and Patch system gets more patch material in the bore, eliminates bunching and maximizes the effectiveness of each pass-through. Speed Patches are a synthetic material that has shown superior absorbency over cotton and is better at absorbing fouling and spent solvent in the bore. The quilt-like textured surface is more effective at picking up and trapping crud as it passes through the bore without fraying or dropping lint.

## Attributes

- Name: [REAL AVID BORE-MAX SPEED JAG PATCH REFILL PACK 8" 250CT](#)
- Manufacturer: [REAL AVID](#)
- Product no.: 100047693
- Mfr. No.: AVBMPATCH8
- Caliber: 30 Caliber (.308), 22 Caliber (.223-.224)
- Size: 8
- Style: Rifle
- Quantity: 250
- Delivery weight: 0.181kg
- Shipping height: 38mm
- Shipping width: 121mm
- Shipping length: 254mm
- UPC: 813119013607

# BOREMAX SPEED JAG PATCH REFILL PACK Safety Instruction Guide

## Introduction

Thank you for choosing the BOREMAX SPEED JAG PATCH REFILL PACK by REAL AVID. This product is designed to enhance your bore cleaning experience, providing superior performance and efficiency. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use. However, it is important to follow all instructions to minimize risks.
- **Enhanced Recalls:** In case of any safety concerns, standardized recall notices will be provided. Please stay informed about any potential recalls.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around children. Ensure that it is stored out of reach.
- **EU Contact Point:** For safety inquiries, please refer to the official EU contact point.
- **Rapid Alerts:** Stay updated on unsafe products through the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children under the age of 18. Ensure adult supervision when used by younger individuals.
- **Avoid Inhalation:** Do not inhale any dust or particles generated during use.
- **Eye Protection:** It is recommended to wear safety goggles to protect your eyes from any debris.
- **Skin Contact:** Avoid prolonged skin contact with the patches. If irritation occurs, wash the affected area with soap and water.
- **Storage:** Store in a cool, dry place away from direct sunlight and heat sources.
- **Disposal:** Follow local regulations for disposing of used patches and packaging.

## Instructions for Installation and Usage

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction before beginning the cleaning process.
2. **Select the Right Patch:** Choose the appropriate size patch for your bore. The BOREMAX SPEED JAG PATCH is designed for 22 Caliber (.223.224) and 30 Caliber (.308) firearms.
3. **Attach Patch to Jag:** Securely attach the patch to the speed jag, ensuring it fits snugly.
4. **Apply Cleaning Solution:** If desired, apply a suitable cleaning solvent to the patch for enhanced cleaning effectiveness.
5. **Insert into Bore:** Carefully insert the jag with the attached patch into the bore. Apply steady pressure to push the patch through.
6. **Remove Patch:** Once the patch has passed through the bore, remove it carefully. Check for fouling and debris.
7. **Repeat as Necessary:** Depending on the level of fouling, repeat the process with a fresh patch until the bore is clean.
8. **Final Inspection:** After cleaning, inspect the bore for cleanliness and ensure no debris remains.

## **Disposal Instructions**

- Dispose of used patches according to local waste management regulations.
- Do not dispose of in regular household waste if local guidelines specify otherwise.
- Ensure that used patches are kept out of reach of children and pets until disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the BOREMAX SPEED JAG PATCH REFILL PACK, please refer to the official support channels provided by the manufacturer. Always ensure you have the latest information regarding safety and product usage.

Thank you for prioritizing safety while using the BOREMAX SPEED JAG PATCH REFILL PACK. Enjoy a cleaner and more efficient bore cleaning experience!
