BOREMAX BORE SOLVENT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing Real Avid Bore Max Bore Solvent. This powerful, gunmetal grade foaming solvent is specially formulated to expand and penetrate within the gun bore, effectively dissolving performanceinhibiting copper and powder fouling. Your safety is our priority, and this guide provides essential information on the safe use, handling, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Store the solvent in a cool, dry place, away from direct sunlight and heat sources.
- Keep out of reach of children and vulnerable individuals.
- Always read the label and follow the instructions provided.
- In case of accidental exposure or ingestion, seek medical attention immediately.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling the solvent.
- Use the product in a wellventilated area to avoid inhalation of fumes.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not mix with other chemicals or solvents.
- Ensure that the firearm is unloaded and pointed in a safe direction before applying the solvent.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the Bore Max Bore Solvent, cleaning rod, and cleaning patches.

2. Application:

- Shake the canister well before use.
- Insert the cleaning rod into the firearm bore.
- Apply the Bore Max Bore Solvent directly into the bore, ensuring thorough coverage.
- Allow the solvent to sit for a few minutes to penetrate and dissolve fouling.

3. Cleaning:

- Use cleaning patches to wipe the bore clean after the solvent has had time to work.
- Repeat the application if necessary until the bore is clean.

4. Final Steps:

- After cleaning, ensure the firearm is reassembled and checked for proper function.

Disposal Instructions

- Dispose of empty containers and any unused product in accordance with local regulations.
- Do not dispose of the solvent in household waste or down the drain.
- Check with local waste disposal authorities for specific guidelines on hazardous waste disposal.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the product label for contact details.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of Real Avid Bore Max Bore Solvent. Always prioritize safety and stay informed about product recalls or safety alerts through the EU's Safety Gate platform. Thank you for your attention and commitment to safe handling practices.
