

MOLDED UNIVERSAL WIRE LOOP - BLUE FORCE GEAR MOLDED UWL 2.75 WIRE LENGTH BLACK

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The Blue Force Gear Molded Universal Wire Loop™ brings the unparalleled versatility of the Universal Wire Loop with a lighter more cost effective assembly. The Molded UWL™ allows for a Vickers Sling or other slings 1.25" or thinner to attach to eyelets, slots, rail holes, or other unique mounting points on weapons. The Molded UWL™ features the same military proven nylon coated air craft grade stainless steel cable crimped into a nylon 6-6 body - the same military grade non-reflective material as used in the Vickers Sling. The inner features a push button socket for use with any standard push button sling swivel if desired."

Safety Instruction Guide for the Molded Universal Wire Loop Blue Force Gear

Introduction

Thank you for choosing the Molded Universal Wire Loop™ by Blue Force Gear. This product is designed to enhance the versatility of your tactical gear while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure proper use and maintenance of your product.

General Safety Guidelines

- **Product Safety:** This product is safe for use when following all instructions and guidelines. Ensure you are aware of any risks associated with its use.
- **Enhanced Recalls:** Stay informed about any recalls by checking official sources. If a recall occurs, follow the instructions provided for remedies.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety standards similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable individuals, including children.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point associated with this product.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Avoid Sharp Objects:** Keep the Molded UWL™ away from sharp edges or pointed objects to prevent damage.
- **Inspect Regularly:** Check the product regularly for signs of wear or damage. If any issues are found, discontinue use immediately.
- **Proper Usage:** Only use the Molded UWL™ as intended. Do not exceed the recommended weight limits.
- **Avoid Extreme Conditions:** Do not expose the product to extreme temperatures, moisture, or chemicals that could compromise its integrity.
- **Child Safety:** Keep this product out of reach of children. It is not a toy and should not be used as such.

Instructions for Installation and Usage

1. Installation:

- Ensure the area where you will install the Molded UWL™ is clean and free from debris.
- Attach the Molded UWL™ to the desired mounting point on your weapon using the eyelets, slots, or rail holes.
- Make sure the connection is secure before use.

2. Usage:

- Attach a Vickers Sling or other compatible slings that are 1.25 inches or thinner to the Molded UWL™.
- If using a push button sling swivel, ensure it is properly connected to the push button socket of the Molded UWL™.
- Always check the attachment before each use to ensure it is secure.

3. Maintenance:

- Clean the Molded UWL™ with a damp cloth to remove any dirt or debris.
- Avoid using harsh chemicals or abrasive materials that could damage the product.

Disposal Instructions

- When the Molded UWL™ reaches the end of its life or is damaged beyond repair, dispose of it responsibly.
- Check local regulations for disposal of nylon and metal products.
- Do not dispose of the product in regular household waste if local guidelines specify otherwise.

Contact Information for Further Support

For any further inquiries or support regarding the Molded Universal Wire Loop™, please refer to the contact information provided by the retailer or manufacturer at the time of purchase. Ensure that you have the product details at hand for efficient assistance.

Thank you for your attention to these safety instructions. Proper use and care of the Molded Universal Wire Loop™ will ensure its longevity and your safety.
