# Safety Instruction Guide for PICATINNY/1913 Adapter for ARCA Clamps

## Introduction

Thank you for purchasing the PICATINNY/1913 Adapter for ARCA Clamps by AREA 419. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the adapter is compatible with your bipod and ARCALOCK Clamp before installation.
- Inspect the adapter for any signs of damage or wear before each use. Do not use if damaged.
- Always follow the manufacturer's instructions for both the adapter and the bipod.
- Keep the adapter out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the adapter is securely attached to the ARCALOCK Clamp before use.
- Do not exceed the weight limit specified by the bipod manufacturer.
- Avoid using the adapter in extreme weather conditions that may affect its performance.
- Do not modify or alter the adapter in any way.
- Use only with picocompatible bipods to avoid instability and potential accidents.
- Regularly check the tightness of all screws and attachments to ensure safety during use.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a screwdriver if required.
2. **Positioning:** Align the adapter with the ARCALOCK Clamp.
3. **Attachment:** Securely attach the adapter to the clamp, ensuring that all screws are tightened according to the manufacturer's specifications.
4. **Compatibility Check:** Confirm that the adapter is compatible with your bipod by checking for a secure fit.
5. **Final Inspection:** Inspect the installation to ensure there are no gaps or loose components.

### Usage Steps

1. **Mounting the Bipod:** Attach your picocompatible bipod to the installed adapter.
2. **Stability Check:** Before using the bipod, check that it is stable and securely attached to the adapter.
3. **Weight Management:** Use the bipod within the manufacturer's weight limits for optimal safety.
4. **Regular Maintenance:** Periodically check the adapter and bipod for wear and tear, ensuring they remain in good working condition.

## Disposal Instructions

- Dispose of the adapter in accordance with local regulations regarding electronic and plastic waste.
- Do not dispose of the adapter in general household waste.
- If the product is damaged beyond repair, contact local waste management services for proper disposal methods.

## Contact Information for Further Support

For further inquiries or assistance, please refer to the manufacturer's website or customer service resources.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your PICATINNY/1913 Adapter for ARCA Clamps. Thank you for prioritizing safety and compliance with EU regulations.
