Consumer Safety Instructions for AR15 M4E1 Stripped Upper No Forward Assist

Introduction

Thank you for choosing the AR15 M4E1 Stripped Upper No Forward Assist by Aero Precision. This product is designed for use with AR15 platform firearms. To ensure your safety and the proper functioning of the product, please read this guide carefully. It contains important safety information, usage instructions, and disposal guidelines.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the upper receiver and other firearm components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use only compatible parts and accessories to ensure safe operation.

Specific Safety Precautions for Use

- **No Forward Assist:** This upper receiver does not include a forward assist feature. Ensure that you understand the implications of this design, as it may affect the operation of your firearm under certain conditions.
- **Compatibility:** Confirm that this upper receiver is compatible with your existing AR15 lower receiver and other components before installation.
- **Assembly:** Only qualified individuals should assemble or modify the firearm. If you are unfamiliar with firearm assembly, seek assistance from a qualified gunsmith.
- **Ammunition:** Use only 5.56 mm NATO or compatible ammunition as specified. Using incorrect ammunition can lead to malfunctions or damage.
- **Cleaning and Maintenance:** Regularly clean and maintain your upper receiver to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a torque wrench and appropriate punches.
- Work in a clean, welllit environment to avoid losing small parts.

2. Installation:

- Align the upper receiver with the lower receiver.
- Insert the takedown pins into the .250 takedown pin holes, ensuring they are fully seated.
- Torque the pins to the manufacturer's specifications to secure the upper receiver in place.
- Doublecheck that all components are properly fitted and that there are no obstructions.

3. Usage:

- Before firing, perform a function check to ensure that the firearm operates correctly.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you are in a safe environment when discharging

your firearm.

4. PostUsage:

- After use, clean the upper receiver and inspect for any signs of wear or damage.
- Store the firearm in a safe location, following all storage guidelines.

Disposal Instructions

- Dispose of the upper receiver in accordance with local regulations regarding firearm components.
- Do not dispose of the upper receiver in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the AR15 M4E1 Stripped Upper No Forward Assist, please contact the manufacturer or a qualified firearms expert.

Conclusion

Your safety is of utmost importance. By following these guidelines, you can ensure a safe and effective experience with your AR15 M4E1 Stripped Upper No Forward Assist. Always remain informed about safety practices and stay updated on any product recalls or safety alerts. Thank you for your attention to these important safety instructions.
