

EPC-9 9MM/40 S&W ASSEMBLED UPPER RECEIVER W/LRBHO - AERO PRECISION EPC-9 9MM/40 S&W ASSEMBLED UPPER RECEIVER W/LRBHO BLACK

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

The EPC-9 Enhanced Upper Receiver is the perfect addition to any AR9 build. Including a last round bolt hold open mechanism and compatible with Aero's robust lineup of Enhanced and Quantum handguards, the EPC-9 Enhanced Upper Receiver provides an extremely rugged handguard mounting solution. The EPC Enhanced Upper Receiver utilizes a one-piece design combining the handguard mounting platform with the upper receiver itself. Through superior engineering, they have condensed the parts needed to mount a free-floated handguard to a mere 8 screws. Since the handguard mounting surface and upper are of the same forging, not only is it a stronger system, but they are able to make additional lightening cuts to save weight and allow for more efficient cooling. Ease of installation - Simply insert your barrel assembly into the EPC Enhanced upper, tighten it to spec using the provided barrel nut and wrench, slide your rail on and tighten the rail screws. Within minutes you have a modular, free-floated rail. Features: Last round bolt hold open mechanism Standard AR15 takedown/pivot pin lug pattern Machined from custom forged 7075-T6 aluminum Laser engraved T-marks Compatible with Aero Precision AR15 Enhanced and Quantum Handguards Includes: Upper Receiver Pre-installed last round bolt hold open assembly Enhanced Barrel Nut Barrel Nut Wrench NOTE: The EPC last round bolt hold open is ONLY compatible with appropriate GLOCK® pattern magazines.

Safety Instruction Guide for EPC9 9MM/40 S&W ASSEMBLED UPPER RECEIVER W/LRBHO

Introduction

Thank you for choosing the EPC9 Enhanced Upper Receiver. This product is designed to enhance your AR9 build with advanced features and a robust design. To ensure safe and effective use, please read this safety instruction guide carefully. It provides essential information regarding safe handling, installation, and maintenance of the product.

General Safety Guidelines

To ensure the safety of yourself and others when using the EPC9 Enhanced Upper Receiver, please adhere to the following guidelines:

- Always treat the upper receiver as if it is loaded.
- Ensure that you are in a safe environment when handling the product.
- Keep the upper receiver out of reach of children and unauthorized users.
- Use only compatible magazines as specified in the product description.
- Regularly inspect the upper receiver for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm components and usage.
- Report any accidents or unsafe conditions to the appropriate authorities.

Specific Safety Precautions for Use

When using the EPC9 Enhanced Upper Receiver, please observe the following safety precautions:

- Ensure that the last round bolt hold open mechanism is functioning correctly before use.
- Do not exceed the recommended torque specifications when installing components.
- Avoid using the upper receiver with ammunition that is not specified (9 mm Luger, 40 S&W).
- Do not modify the upper receiver or its components unless specified by the manufacturer.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

Follow these steps to install and use the EPC9 Enhanced Upper Receiver safely:

1. Preparation:

- Gather all necessary tools, including the barrel nut wrench.
- Ensure that the workspace is clean and free of obstructions.

2. Installation:

- Insert your barrel assembly into the EPC Enhanced Upper Receiver.
- Tighten the barrel assembly to the specified torque using the provided barrel nut and wrench.
- Slide the handguard rail onto the upper receiver and secure it by tightening the rail screws.
- Verify that all components are securely fastened and functioning correctly.

3. Usage:

- Load only compatible GLOCK® pattern magazines into the upper receiver.
- Check the last round bolt hold open mechanism before firing.
- Follow standard safety practices while handling and firing the firearm.

Disposal Instructions

To dispose of the EPC9 Enhanced Upper Receiver, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for proper disposal methods for firearm components.
- Ensure that all parts are rendered inoperable before disposal.

Contact Information for Further Support

For any questions or concerns regarding the EPC9 Enhanced Upper Receiver, please refer to the manufacturer's contact information provided with the product. It is important to reach out to them for any safety inquiries or support you may need.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on your adherence to these guidelines. Enjoy using your EPC9 Enhanced Upper Receiver responsibly!
