# Safety Instruction Guide for ARROWHEAD 18X24MM SFP ILLUMINATED RIFLE SCOPE

## Introduction

Thank you for choosing the Swampfox Arrowhead 18X24MM SFP Illuminated Rifle Scope. This guide provides important safety information and instructions to ensure the safe use and handling of your rifle scope. Please read the entire guide carefully before using the product.

## General Safety Guidelines

- Ensure that the rifle scope is used in accordance with local laws and regulations regarding firearms and optics.
- Always treat every firearm as if it is loaded.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear.
- Do not use the scope in conditions that may impair visibility, such as heavy rain, fog, or darkness without appropriate illumination.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Locking Turrets:** Ensure locking turrets are engaged during use to prevent unintentional adjustments.
- **Illumination:** Use the illumination feature responsibly. Do not look directly at the light source when the illumination is activated.
- **Eye Relief:** Maintain proper eye relief (3.54" 3.39") to prevent injury from recoil.
- **Objective Size:** Ensure the objective size (24mm) is compatible with your firearm and intended use.
- **Battery Safety:** Use only the recommended CR2032 battery. Dispose of batteries properly and keep out of reach of children.
- **Environmental Considerations:** Avoid exposing the scope to extreme temperatures or humidity to maintain optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Attach the scope to the rifle using the appropriate mounting rings and base.
- Ensure that the scope is securely mounted and aligned with the barrel.
- Adjust the eye relief by moving the scope forward or backward until a clear sight picture is achieved.

### 2. Usage:

- Before using the scope, familiarize yourself with its features, including the magnification settings and reticle.
- Adjust the magnification from 1x to 8x as needed for your shooting distance.
- Activate the illumination feature if required for lowlight conditions.
- Always check the zeroing of the scope before shooting to ensure accuracy.
- After use, clean the scope with a soft, dry cloth to remove dust and debris.

## **Disposal Instructions**

- Dispose of the rifle scope and any batteries in accordance with local regulations.
- Do not dispose of the scope in regular household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that all components, including batteries, are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your Swampfox Arrowhead LPVO Rifle Scope. Always prioritize safety in all shooting activities.
