Swampfox Arrowhead LPVO Rifle Scope Safety Instruction Guide

Introduction

Thank you for purchasing the Swampfox Arrowhead LPVO 18X24MM SFP Illuminated Rifle Scope. This guide provides important safety information to ensure the safe use and maintenance of your rifle scope. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the rifle scope is used only for its intended purpose.
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the rifle scope out of reach of children and unauthorized users.
- Regularly inspect the rifle scope for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before attaching or removing the scope.
- Do not look directly at the sun through the scope, as this can cause serious eye damage.
- Use the scope in conditions for which it is designed, and avoid extreme temperatures or humidity.
- Be aware of your surroundings and ensure that your target is safe and properly identified before shooting.
- Use the locking turrets to prevent unintentional adjustments during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Use the appropriate mounting rings to attach the scope to the rifle's rail.
- Tighten the mounting rings securely, ensuring the scope is level.
- Adjust the eye relief by moving the scope forward or backward until you achieve a clear sight picture.

2. Usage:

- Familiarize yourself with the controls of the scope, including the magnification adjustment and illumination settings.
- Adjust the magnification by turning the magnification ring to the desired level.
- To activate the illumination, turn the illumination dial to the desired brightness setting.
- Use the locking turrets to make precise adjustments to windage and elevation. Ensure they are locked after adjustments.

Disposal Instructions

- Dispose of the rifle scope in accordance with local regulations.
- Do not dispose of electronic components in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the appropriate contact channels provided by the manufacturer. Always ensure you have the model number (Arrowhead) ready when seeking assistance.

Thank you for prioritizing safety while using the Swampfox Arrowhead LPVO Rifle Scope. Your adherence to these guidelines will help ensure a safe and enjoyable experience.
