

# CZ SCORPION EVO HANDGUARD - STRIKE INDUSTRIES CZ SCORPION EVO 6" HANDGUARD BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Strike 6" Handguard for CZ Scorpion EVO Pistol boasts enhanced ergonomics for a more proficient manipulation of your weapon with a Strike Industries sleek style design. The Strike 6" Handguard is unique as it includes a dummy can, cap, nut and tool to simulate the CZ Micro Faux Suppressor look and feel. Manufactured from 6061-T6 aluminum extrusion, this robust addition to your CZ Scorpion EVO Pistol is a must have, along with the full line of SI CZ Scorpion EVO parts and accessories. Just about any M-LOK or SI LINK accessories can be attached and mounted along the rail at 1, 3, 6, 9 and 11 o'clock positions giving you as many options as any other handguard on the market. The handguards can be customized with the accommodating upper Picatinny rail portion to mount your preferred accessories. The modular design allows the ability to remove the upper Picatinny rail portion as well as swap with future optional SI accessories or handguard colors. Just like the OEM factory handguard, this handguard works with the OEM CZ swivel sling mount or SI Angled Quick Detach (AQD) and/or SI Flat Quick Detach (FQD) mounts. Charging handle retains the factory ability of being ambidextrous and 100% compatible with CZ OEM charging handle or perfectly paired with the optional SI CZ Scorpion EVO Charging Handle as it provides a longer, ergonomic and positive tactile feeling over the CZ factory charging handle. The Strike 6" Handguard for CZ Scorpion EVO Pistol gives you a simple, modular and no-brainer drop-in installation choice when it comes to enhancing and customizing your CZ Scorpion EVO Pistol in a limited aftermarket marketplace.

# CZ Scorpion EVO Handguard Safety Instructions

## Introduction

Thank you for choosing the Strike Industries CZ Scorpion EVO 6" Handguard. This guide provides essential safety instructions and information to help you use and install the product safely and effectively. Please read this manual carefully before use to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure that the handguard is compatible with your CZ Scorpion EVO Pistol before installation.
- Always follow the manufacturer's guidelines and safety instructions when handling firearms and accessories.
- Keep the handguard and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of wear or damage before each use.
- Do not modify the handguard in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Always ensure the firearm is unloaded before installing or removing the handguard.
  - Use appropriate tools as specified in the installation instructions to avoid injury.
- **Handling:**
  - Always treat your firearm as if it is loaded.
  - Keep your finger off the trigger until you are ready to shoot.
  - Be aware of the muzzle direction at all times to prevent accidental discharge.
- **Use of Accessories:**
  - Ensure that any accessories mounted on the handguard are securely attached and do not obstruct the operation of the firearm.
  - Only use MLOK or SI LINK accessories that are compatible with the handguard to avoid failure during use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the CZ Scorpion EVO Pistol is unloaded.
- Remove the existing handguard by following the manufacturer's instructions.
- Align the Strike Industries 6" Handguard with the mounting points on the pistol.
- Securely fasten the handguard using the provided nut and tool.
- Attach the dummy can and cap to simulate the CZ Micro Faux Suppressor.
- Check that the handguard is firmly in place before use.

### 2. Usage:

- Customize the handguard by attaching compatible MLOK or SI LINK accessories at the designated positions.
- If using the Picatinny rail, ensure that any mounted accessories are securely fastened.
- Test the charging handle to ensure it operates smoothly and is compatible with your firearm.
- Regularly check the handguard and accessories for signs of wear or looseness.

## **Disposal Instructions**

- When the handguard reaches the end of its life or is no longer needed, dispose of it in accordance with local regulations for aluminum products.
- Do not dispose of any firearm accessories in regular household waste.
- Consider recycling the material if possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Strike Industries CZ Scorpion EVO 6" Handguard, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details on hand for a more efficient response.

This safety instruction guide complies with the EU General Product Safety Regulation (GPSR) and aims to ensure the safe and responsible use of the Strike Industries CZ Scorpion EVO 6" Handguard. Always prioritize safety and follow all guidelines to enhance your experience while using this product.
