AUTODISK POWDER RIFLE CHARGING DIE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the AUTODISK POWDER RIFLE CHARGING DIE by Lee Precision. This product is designed to assist in charging small capacity rifle cases safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users are aware of the potential hazards associated with the use of this product.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety alerts related to this product through the EU's Safety Gate platform.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Do not exceed the maximum capacity specified for the Auto Disk Powder Measure.
- Ensure that the work area is clean and free from distractions.
- Never use this product in an environment with flammable materials or substances.
- Inspect the die and accompanying equipment for any signs of damage before each use.
- If you experience any issues during operation, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work surface is stable and clean.
- Securely attach the AUTODISK POWDER RIFLE CHARGING DIE to your reloading press according to the manufacturer's instructions.
- Confirm that the die is properly aligned and tightened to prevent any movement during operation.

2. Usage:

- Measure the desired powder charge using the Auto Disk Powder Measure or Pro Auto Disk Powder Measure.
- Carefully insert the powder charge into the rifle case without expanding the case mouth.
- Ensure that the die is used only for 22 caliber cartridges and up to and including the .308 Win.
- After use, clean the die according to the manufacturer's maintenance guidelines to ensure longevity and safe operation.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is no longer needed or is damaged beyond repair, dispose of it responsibly at a designated waste disposal facility.
- Do not dispose of this product in household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or product issues, please contact the manufacturer directly. Ensure that you have your product information at hand for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with the AUTODISK POWDER RIFLE CHARGING DIE. Thank you for prioritizing safety and responsible usage.
